NEW YORK

NEW YORK (AP)—Good news for US. railways sparked their shares and inspired the stock market to a good rally Thursday.

Rail shares were touched off by news that congress has agreed to kill the three-per-cent excise tax on freight traffic.

Prior to this aircrafts were up —with Wall Street having war jitters over the crisis in Lebanon —but the market as a whole was irregular.

Electronic shares flurried late in the day as interest rotated to them from the aircrafts.

The Associated Press average of 60 stocks rose 90 cents to $173.60 with the industrials up $1.30, the rails up $1.10 and the utilities up 20 cents.

Among Canadian issues traded on the New York Stock Exchange, Aluminium gained ¼, Canadian Pacific gained ⅜ and Hudson Bay Mining was up ⅝.

Among Canadian stocks on the American Stock Exchange Canadian Marconi gained ¼. In the oils, Fargo Oil and Jupiter Oils gained ⅛ and Scurry - Rainbow was up 1-16.

Questions Attache's Need For Chauffeur, Automobile

OTTAWA (CP) — The Commons estimates committee Tuesday sharply questioned the need for a chauffeur and car for each of the three Canadian military attaches in Moscow.

Alan Macnaughton (L — Montreal Mount Royal) noted that three Russian civilian drivers have been hired this year at $5,760 each compared to one chauffeur last year.

"Why increase the expenditure by $11,520 when you are trying to make economies and save money?" Mr. Macnaughton asked.

Deputy Defence Minister Frank Miller said the services had been able "to put up a good enough story to satisfy the examiners that there is a requirement" for a car and chauffeur for each military attache.

C. W. Carter (L — Burin-Burgeo) asked how the $5,760 salary was arrived at.

Mr. Miller said Canada had to pay the official exchange rate of four rubles to the dollar whereas the real value of the ruble was about 10 to the dollar.
