PEDESTRIANS as well as teamsters
seem oblivious to the fact that the former
have the right of way on all street cross-
ings. Ladies are often seen scurrying
over a crossing to get out of the way of
"fyer." The courts have decided, time
and again, that drivers should slow at
crossings and that they can be held re-
sponsible for any accident caused to a
person on foot by breach of the rule.

A MEETING of the students of Prince of
Wales College was held in Dr. Anderson's

CHANGE OF CLIMATE.

Not Necessary in Order to Cure
Catarrh.

The popular idea that the only cure for
chronic catarrh is a change of climate, is
a mistake because catarrh is found in all
climates in all sections of the country; and
even if a change of climate should benefit
for a time the catarrh will certainly return.
Catarrh may be readily cured in any
climate, but the only way to do it is to
destroy or remove from the system the
catarrhal germs which cause all the
mischiefs.

The treatment by inhalers, sprays,
powders and washes has been proven al-
most useless in making a permanent cure,
as they do not reach the seat of disease,
which is in the blood and can be reached
only by an internal remedy which acts
through the stomach upon the blood and
system generally.

A new discovery which is meeting with
remarkable success in curing catarrh of
the throat and bronchial tubes and also
catarrh of the stomach, is sold by druggists
under name of Stuart's Catarrh Tablets.

These tablets which are pleasant and
harmless to take owe their efficiency to
the active medicinal principles of Blood
Root, Red Gum a new specific called
Guaiaecol, which together with valuable
antiseptics are combined in convenient
palatable tablet form, and as valuable for
children as for adults.

Mr. A. R. Fairbank of Columbus Ohio
says: "I suffered so many winters from
Catarrh that I took it as a matter of course
and nothing would cure it except a change
of climate, which my business affairs
would not permit me to take.

My nostrils were almost always clogged
up, I had to breathe through the mouth
causing an inflamed, irritated throat. The
thought of eating breakfast often nauseated
me and the catarrh gradually getting
into my stomach took away my appetite
and digestion.

My druggists advised me to try a fifty
cent box of Stuart's Catarrh Tablets, be-
cause he said he had so many customers
who had been cured of Catarrh by the
use of these tablets that he felt he could
honestly recommend them. I took his ad-
vice and used several boxes with results
that surprised and delighted me.

I always keep a box of Stuart's Catarrh
Tablets in the house and the whole family
use them freely on the first appearance of
a cough or cold in the head.

With our children we think there is
nothing so safe and reliable as Stuart's
Catarrh Tablets to ward off croup and colds
and with older people I have known of
cases where the hearing had been seriously
impaired by chronic catarrh cured en-
tirely by this new remedy.

Milk and you will decide whether it is
better and cheaper than a cow. Ask your

Choice Table Codfish

—FOR SALE AT—

P. MONAGHAN'S
CROCKERY STORE.

You are missing a great treat for breakfast if you do
not try our table codfish. They are fine—The real genuine
article. When held to the light they appear almost as trans-
parent as china, so carefully cured are they. Most people
nowadays to save time and labor, sell you boxed and pre-
pared fish, called boneless fish. The old fashioned article
beats it all hollow. This lot we now have on hand is excep-
tionally fine and are delicious any way you cook them.
