New York Stocks

NEW YORK (AP)—For the fifth straight time, the stock market edged into new high ground Monday.

Steels, motors and many individual issues provided the strength for the move upward. A goodly number of minus signs provided a heavy brake on the rise.

Steels had behind their rise the fact that production in August amounted to 9,583,000 tons, highest August on record.

The Associated Press average of 60 stocks with a gain of 20 got all its help from the industrial component which advanced 30 cents. The railroads were down 0 cents and utilities dropped back 10 cents.

Canadian stocks were irregular. Hiram Walker and Distillers Seagrams each gained ⅜ and International Nickel ⅛. Dome Mines eased ⅜ and McIntyre ½. Canadian Pacific was unchanged.

On the American stock exchange Lake Shore, Giant Yellowknife and Royalite Oil were unchanged.
