Fur Seals Bill Piloted In House By MacNaught

OTTAWA, (Special) — Together with Fisheries Minister Sinclair, J. Watson MacNaught, Parliamentary assistant and Liberal M.P. for Prince, piloted a bill through the Commons providing for the conservation of the fur seals of the North Pacific. The bill was given third reading and passed.

Mr. MacNaught told the chamber that due to sound conservation methods, population of the fur seals in the Pribiloff Island had grown from 130,000 in 1911 to between two and three million this year. Investigation of this North Pacific seal fishery has been in progress over the last three to five years, he said.

G.R. Pearkes, Conservative M.P for Esquimalt-Saanich was sceptical about the value of conserving these North Pacific fur seals. Despite their value, he said, they preyed on Pacific Coast salmon, often taking a bite out of a salmon and then going on to attack others. He felt that with this situation, B.C. fishermen should be paid certain compensation for salmon destroyed by the seals.

In reply, Mr. MacNaught said research officers of the Department of fisheries had examined the stomachs of some 5,000 seals and on the basis of their findings did not believe the seals were very harmful to the salmon fishery.

J. Angus MacLean, Conservative M.P. for Queens, asked how the catch of seals in the North Pacific was distributed amongst the different nations in whose territorial waters they are found. Mr MacNaught admitted that exact figures on distribution of these fur seals were not available at present. They would be, he assured the Queens member, when the Pelagic Sealing Convention comes into effect. He felt there would be the utmost co-operation between Canada, the United States, Japan and the U.S.S.R. once the convention had been ratified.

St. Mark's W. A. Met At President's

The members of St. Mark's Anglican W.A. met at the home of the president Mrs. J. G. Townsend, Kensington for the April meeting. Mrs. Townsend led in devotional service consisting of a hymn, litany for the month, scripture reading and prayers.

A letter from Miss Rice was read by Mrs. J.R. Cameron, J.A. leader, recommending the motion picture, "Smiley" which will be shown soon in theatres across Canada-a good family picture showing the Christian way of life as lived by Smiley a lively Australian boy.

A letter from the diocesan president, Mrs. Champion, was read, thanking the members for sharing in her gift of a Dominion Life membership.

The treasurer reported a balance on hand of $58.84, and reported that a new minute book had bee purchased.

Mrs. John R. Cameron, delegate to the 60th annual meeting of the W. A. of P. E. Island, gave a very interesting and comprehensive report. She said a letter had been read from Mrs. Vivian Nichols Mother telling of the death of her mother in Arizona. Mrs. Nichols whose husband was rector of New London Parish at the time, was the first life member from P. E. Island.

Mention was made of Miss Matilda Haslam one of the first members, now 94 who still does beautiful work for the W. A. Mrs. Ken Pidgeon also reported on the meeting, saying that Mrs. Hemingway, the educational secretary, urged W.A. members to borrow books from the W.A. Library. A film on the Study Book for next year on Japan, may be borrowed for use in September. It was suggested that bales in future be prepared in time to be displayed at the annual meetings.

Mrs. Townsend gave a resume from the Study Book on the growth of the Episcopal church in the Phillipines. The W. A. decided to order flowers for Easter as usual. The meeting closed with a hymn and benediction.

Cases Heard At Summerside

In County Magistrate's Court in Summerside yesterday before Magistrate R.S. Hinton, the hearing of a party from Summerside charged with possession of liquor not purchased at a vendor's was adjourned until April 23rd.

A truck man was fined $25.00 for operating a loaded truck on the highway near Albany at a time when the roads were closed to vehicles whose loaded weight exceeded 6,000 pounds.

A summons was issued by the Court for a motorist who failed to appear to answer to a charge of speeding.

Two men were each fined $100 and costs for operating vehicles while their ability was impaired, and their licenses were automatically cancelled.

A third man charged with care and control of a vehicle while impaired, pleaded not guilty and the case was adjourned for one week.

The case against a Borden man charged with intimidation of a witness was dismissed for lack of evidence. An assault charge was immediately laid against this same man. He pleaded not guilty to the assault charge and the case was adjourned for a week.
