NEW YORK STOCKS

NEW YORK (AP) — the stock market dropped a bit Friday, registering its first decline of the week.

But trading was brisk most of the session. Some issues made wide moves to the upside or downside.

For key issues the range of gains or losses was kept within one or two points generally.

Reports of a new high in construction contracts, a jump in store sales and signs of more available mortgage money formed an encouraging backdrop of news for the market. Some of the corporate reports made good reading.

The Associated Press average of 60 stocks dropped 40 cents to $180.60.

Rising Canadian stocks included International Nickel, ahead ¼ on sales of 3,100 shares and McIntyre 2⅝. Off were Canadian Pacific, down ⅛ on sales of 4,200 shares, Hudson Bay Mining 3¾, Walker-Gooderham 1¼, Distillers-Seagrams ⅛ and Dome Mines ⅛.

upside Canadian issues on the American Stock Exchange included Preston East Dome, ahead 1-16 on sales of 1,100 shares. Jupiter Oils lost 1-16 on sales of 4,100 shares.
