SUMMARY

BY THE CANADIAN PRESS

Toronto—Market down; light trading.

New York — Market lower; heavy trading.

Montreal — Market lower; moderately active trading.

CURRENCIES

MONTREAL (CP) — The United States dollar in terms of Canadian funds was unchanged at $1.08.

Pound sterling was unchanged at $3.0224.

NEW YORK

NEW YORK (AP)—The stock market Thursday slagged only a brief celebration of the enactment of the $11,500,000,000 tax cut and then slid downward to a moderate loss. Trading was fairly active.

One of the main props under the market for more than a year has been expectation of the tax cut.

Another important factor in the day's trading was the action of the Dow Jones industrial average. The Dow industrials surged to 801.07 in the first half hour but that was the highest point. As the average continued to back away, traders began to give up the idea that it could close at 800 or better, and they sold.

At the close, the Dow industrials were off 2.34 at 797.04.

Of 1,546 issues traded, 480 rose and 608 fell.

Volume was 5,440,000 shares compared with 5 350,000 Wednesday.

AP AVERAGE FALLS

The Associated Press average of 60 stocks fell 1.0 to 296.8 with industrials off 1.8, rails up .2 to a historic high and utilities 194.300 shares.

Besides International Nickel, other losers among the Canadian issues traded were Canadian Pacific, down ⅜, and Granby Mining, Distillers Seagrams and Walker Gooderham, each down ¼. Dome Mines rose ½ and Hudson Bay Mining ¼.

Prices on the American Exchange were irregularly lower. Volume was 1,930,000 shares compared with 1,640,000 Wednesday. Brazilian Traction, Fargo Oil and Jupiter Corp. each advanced ⅛ while Canadian Marconi and Preston dropped ¼ apiece.

TORONTO

TORONTO (CP)—The industrial and Exchange index took their sharpest dives on the Stock Market Thursday since the assassination of President Kennedy last Nov. 22.

The industrial index fell .96 to 139.56, lowest since Jan. 6, and the Exchange index .82 to 130.81.

The industrial board in general was patchy, with a few select issues stealing the limelight.

Canada Iron Foundries advanced 1¼ to 27¾. The company manufactures pulp and paper making equipment and face a healthy year with the coming expansion of several major companies in the paper producing field.

Dominion Foundries and Steel was up 1¼ to 69¾, but trading was light. A Bay Street analyst suggested a stock split might be in the offing, but the senior company official declined comment.

APPLY FOR CHARTER

Laurentide Financial gained ½ to 10 after reaching a high of 15½ on 16,307 shares. The company has applied for a charter to form a bank with headquarters in Vancouver.

Denison declined ½ to 14¼ in the base metals sector. The issue has been gaining strongly with rumors of a takeover bid.

International Nickel tumbled 2¼ to 76 while Falconbridge advanced ⅝.

Western oils comprised the strongest section of the market. Calgary and Edmonton Corp. rose ½, Great Plains ¼ and Hudson Bay Oil and Gas ⅛ among senior oils.

The index, golds fell .41 to 131.88, base metals .02 to 64.19 and western oils rose .15 to 81.57. Volume for the day was 3,123,000 shares compared with 3,788,000 Wednesday.
