SUMMARY

BY THE CANADIAN PRESS

Toronto: Market lower; trading moderately heavy.

New York: Market lower; trading slack.

NEW YORK

NEW YORK (AP) — Buying interest was lacking and the stock market took a fairly sharp loss Monday. Trading was the slowest in three weeks.

Key stocks fell fractions to 2 points or so.

President Kennedy warned of recession if Congress does not reduce taxes. The AFL-CIO executive council said the administration's tax program was not enough and called for a bigger tax cut to prevent recession.

None of this was calculated to lift spirits in Wall Street. Even another boost in weekly steel output was no inspiration. The major steels lost fractions.
