ly at Roosevelt, closed it out at Yonkers with winnings of $1,022,690, also a record.

The Ben White Raceway, Orlando, Florida, is probably the busiest harness training track in America at present. There are some eighty or more two-year-olds in training there, and 42 of them are in the Billy Haughton stable. An observer, writing about them, states that the stable is packed with talent. They are already beaing 3.00 by quite a number of seconds, with lots of speed being shown in the last eights:

Clint Hodgins, the popular Canadian trainer, whose residence is Clandeboye, Ontario, and who, in the 1957 roster of drivers, was shown as having 43 firsts, 53 seconds and 69 thirds with total winnings of $171,121, is again preparing a good stable for 1959. A couple of years ago while in Orlando, we had the pleasure of having a long conversation with Clint, and later he offered his car to director F. C. McCurdy of Truro and myself take a look around Orlando.

Mr. McCurdy took the wheel, and we got along very nicely. That is just an instance to show why Clint is well liked.

STRONG STABLE

The Del Miller stable will be strong again, and reports are that it is full of trotting talent. A pair of two-year-old colts had beaten 2.50 around the first of January. In 1957, Del made 362 starts with his stable, and was 96 times first, 71 times second and 43 times third, winning $391,185. That same year Joe O'Brien, with the S. A. Camp stable, made 272 starts, was 72 times first, 53 times second and 53 times third, with winnings of $349,355. It must be remembered that the O'Brien stable is a private one, while the Miller stable and practically all the others receive horses from wealthy patrons of the sport, who are also good judges of speed potential.

The following notice brings back to mind memories of other days. "The Essex County Harness Horsemen will hold their annual banquet on Monday, February 2, in the Admiral's dining room in Windsor, Ontario. Guests are expected from several Canadian provinces and from the United States."

ON ICE

It was in early January, 1923, that I arrived in Windsor to drive the pacing gelding, Dan Patchen, in the Windsor Hotel pacing stake which was to be held at their beautiful track. I had bought him in Toronto and shipped him to Mt.
