Gov't Reiterates Promise To Extend Family Allowance

OTTAWA (CP)—Who wants higher family allowances?

Everyone, it seems, in the House of Commons.

Stanley Knowles (NDP—Winnipeg North Centre) wants family allowances increased.

So does J. Waldo Monteith (PC—Perth).

And J. W. Pickersgill, government House leader, says the government will live up to its election promise to extend family allowances to students beyond the age of 16 "at the earliest practical time."

Their expressions were made in trying to persuade—successfully, as it turned out—the Creditistes to withdraw a motion that was out of order.

The motion, by Antoine Belanger (Crediteste — Charlevoix), sought Commons support for an increase in family allowances as soon as possible.

But Mr. Beianger put forward his motion while the House was considering the estimates of the health and welfare department—a time when such a motion cannot be accepted under Commons rules.

Mr. Knowles cited the rules, supported the intent of the motion and urged the Creditistes to withdraw it voluntarily rather than seek a formal ruling by the committee chairman, then appeal the ruling and force a vote on a question of rules.

Creditiste Leader Real Caouette gave the high sign to his follower to drop the motion, saying that the government had apparently taken notice of the plea for increased family allowances.

Mr. Belanger, noting the spirit of goodwill, promptly withdrew his motion.

And after the brief excursion into unanimity, the House went back to its regular business.

Frozen Food Water Rates Set For Talk

By FARMER TISSINGTON
Capital Bureau, The Guardian

OTTAWA — A meeting to discuss increases in frozen food freight rates is to be held in Saint John and representatives from P.E.I. and New Brunswick are expected to attend, Angus MacLean, MP for Queens, was informed this week.

The government provided a response to a question Mr. MacLean had placed on the order paper concerning decisions by the Canada - United Kingdom freight conference to increase rates on frozen foods.

Mr. MacLean was informed that the announced increase in frozen french fried potatoes ranges from 21 to 35 per cent over the existing rate. On frozen vegetables, new rates range from unchanged to about 12 per cent over the existing rate.

The government has received representations from the government of P.E.I. and the frozen foods industry pointing out the detrimental effects such an increase will have on the industry on the Island.

Maritime Farmers Leaving Saturday For Winter Fair

MONCTON (Special) — A party of Maritime farmers is leaving Moncton Saturday aboard Canadian National's Ocean Limited to attend the Royal Agricultural Winter Fair in Toronto. The farmers, who number nearly 20, will have a sleeping car for their exclusive use from Moncton to Toronto, and it will remain at Toronto to provide them with accommodation throughout their stay. The car will leave Toronto late Wednesday.

Says one of the farmers: "Going this way we have no travel or accommodation problems. We do not have to face heavy road traffic, or worry about a hotel room. The show at Toronto is a treat for any farmer, but going this way makes it a real holiday."

Reason Given For Shifting Firm To P.E.I.

BATHURST, N.B. (CP)—President Jens Moe of Bathurst Marine Limited said here the main reasons the company decided to move to Georgetown, P.E.I. were engineering requirements and the need to expand facilities of the plant.

Speaking at a ceremony here for the launching of the Howe Bay, seventh steel stern trawler built by the plant, Mr. Moe said the keel of the next similar ship would be laid shortly.

The move to Georgetown would not be made before the latter part of April, he said, giving the Bathurst plants' employees the full winter of employment. The company has 155 on its payroll.

Doctors Resign From Hospital

ST. JOHN'S, Nfld. (CP)—Dr. Leonard Miller, deputy minister of health for Newfoundland, has confirmed that resignations of two doctors at the Burin, Nfld., Cottage Hospital had been accepted by his department.

Radio station CHCM at Marystown said the doctors resigned because of alleged insubordination by one of the nurses at the hospital.

DOPED DOGS

GLASGOW, Scotland (CP)—A research team of chemists has developed a test to find out whether a racing greyhound has been drugged. The test works within 15 minutes and can identify the drug used within 40.

Opening lead — eight of diamonds.

This hand was played in Cannes in 1962 in the women's pair world championship. The winners were Mrs. Rixi Markus and Mrs. Pritzi Gordon of England. Runners - up were Mrs. F. Pianente and Mrs. M. Serf of France, and third were Mrs. Dorothy Hayden and Mrs. Helen Portugal of the United States.

The winners ran into a storm in the accompanying deal when they held the East - West cards against another American pair Mrs. Betty Haddad and Mrs. Agnes Gordon, who finished fifth.

Mrs. A. Gordon became declarer at three notrump doubled on the sequence shown. Whether this was a good or bad contract is hard to judge, but there is no doubt that it was a dangerous one. The American pair undertook the contract with only 22 high - card points to the opponents' 18, but survived the ordeal satisfactorily when Mrs. Gordon found the king of clubs well located and was able to run the entire club suit.

West led a diamond. Mrs. Markus won with the king and returned a spade. Declarer won with the ace and led the jack of clubs, her British namesake following low. Mrs. Gordon, after great travail, finessed, and breathed much more easily when the jack held the trick.

As a result she made the contract with two overtricks for a score of 1,150 points. Had the finesse failed, Mrs. Gordon would have lost quite a bundle of tricks — five spades, a club and two diamonds — and would have gone down four — 1,100 points.

The difference between winning and losing the finesse came to 2,250 points. The stake was enormous, considering that the outcome depended entirely upon the location of one card.

It is to the credit of Mrs. Markus and Mrs F. Gordon that they overcame this huge loss and eventually won the tournament quite easily. Throughout the event they lived dangerously, but in the end they had many more successes than reverses to show for their efforts.

One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophies, the length and formation of the words are all hints. Each day the code letters are different.
