N. Y. Stocks

NEW YORK (AP)—The stock market staged a vigorous rally Thursday and put a good dent in sharp losses suffered in the previous two days.

Late profit-taking applied the brakes on the rise. As a consequence, the performance brought only conditional cheers from the bullish contingent in Wall street.

Aircrafts were in the forefront of the advance, and a number of individual issues and specialties were strong.

The Associated Press average of 60 stocks advanced 80 cents at $158.00. The break of the previous two days sent the average down a total of $4.50.

Gains ran to between 1 and 4 points, and all major divisions were higher.

Canadian issues were mostly higher. Hiram Walker added ⅝ while Canadian Pacific and Distillers Seagram both gained ⅛. International Nickel fell one point and Dome Mines and McIntyre remained unchanged.

Royalite Oil, Canadian issue on the American exchange, was up ⅝. Two other Canadian stocks, Giant Yellowknife and Lake Shore, remained unchanged.
