Release 500,000 Soviet Citizens From Siberia

MOSCOW (Reuters)—More than 500,000 Soviet citizens, moved to Siberia during the war, now are to be sent back home. They comprise five minority groups: the Balkar, Chechen, Ingush, Kalmuk and Karachai peoples.

Their homes are in the Volga region and the Northern Caucasus and it is to these areas they are to return during the next three years.

When the German invaders thrust past the Crimea and threatened the Caucass in 1943; these five groups were among those who stood in the path of the invasion.

Stalin ordered their deportation into Siberia and Central Asia, thousands of miles from their homes, because he feared mass betrayal by minorities who had never been completely assimilated by the Soviet state.

Look how beautiful the height of fashion is this year!

Spacious . . . gracious . . . advanced in every way and right at the zenith of fashion—that's Chrysler!

At the club . . . the golf links . . . the festive house parties . . . and all the other gay places this year, it's *Chrysler* the crowd is admiring and talking about.

For nothing quite like this slim, graceful, fashion-plate beauty has ever glided in beneath the smart porticos before. Nothing so tastefully styled. So luxuriously appointed. So smooth and powerful in action.

There's the superb Chrysler New Yorker with its splendid length . . . and its great 325-h.p. V-8 with 4-barrel carburetion. And there's the wonderful Windsor with its clean, lovely lines and with up to 295 horsepower under the hood.

All Chryslers have the extraordinary convenience and flashing responsiveness of push-button Torque-Flite automatic drive. All have the new Torsion-Aire suspension system that gives Chrysler its remarkable sports-car handling characteristics, as well as the smoothest ride on wheels. All have the roominess, comfort and safety Chrysler is famous for.

It's *your* kind of car, this long, low and luxurious Chrysler of 1957. And its cost is less than you may imagine. So let us demonstrate one to you soon. Just telephone, and we'll bring a Chrysler to your door.
