D & A **DE LUXE** **CANADIAN CORSET**

TRADE MARK IS

EQUAL TO PARISIAN MODELS IN STYLE AND SHAPELINESS BUT FAR MORE DURABLE AND MUCH LESS COSTLY

YESTERDAY and the previous day we told you a little about the great new range of corsets that we have just opened up for you. To-day we will go a little more into detail. We need hardly speak again of the importance of the long, slenderly graceful models made necessary by the present vogue of the Directoire.

Just in passing—we cannot emphasize too often that the excellence of your costume is almost entirely a matter of the correct fit and proper lines of your corset—and above all that we have the right corsets. There is a D & A corset for every figure—we have most of them—if we cannot supply from stock we can procure in about six days.

- Directoire model—16 inches long, made of fine, close white coutil, slim, graceful shape, 4 hose supporters attached **\$1.00**
- A notable sample of the Directoire design is shown in our number 211, made of fine firm coutil, carefully cut to an accurate fit, daintily finished in ribbon and lace, 15 inches deep, .. **\$1.50**
- A beautifully made corset of fine strong white coutil, bias cut, strongly and firmly boned, deep over hip—4 hose supporters, top finished in lace and ribbon **\$1.35**
- A particularly fine number is our 424, very modern in cut, low bust, very deep over hip, one of the most effective "slim hip" designs shown, 4 heavy hose supporters—lace and ribbon top, patent lace fastener **\$1.75**

The "Crest" finest of all corsets for stout figures—appears a new model—in accord with present style demands. This is the ingenious corset separated at waist line and lacing over hip with elastic laces. Hose supporters are attached **\$2.25**

Ordinary model Crest also \$1.35.

Our special No. 646 particularly smart model.

Strictly first class in every way is this beautiful garment of heavy white coutil 16 inches deep at hip, low bust, 4 heavy hose supporters, top trimmed with wide and narrow ribbon, and fine lace. We strongly recommend this number **\$2.75**

Corsets from 50c to 3.50, every shape—every style that is good.

Another 50c Neckwear Sale

Some months ago we were able to offer you some very fine neckwear values at 50 cents. To-day we have some more of them beautiful collars in scores of styles—designs that have helped to make this store the one place for neckwear, neck pieces worth up to one dollar each for **50c**

Coloured Coats—sell at half

Just about a week more should see the coloured coat stock reduced to nothing at all at the present rate of moving. Now please understand us. We are not sacrificing these fine garments because there is anything wrong with them. They are all right and all new—the ranges are broken—we have not all the sizes—and more than all we need the room they occupy. Therefore we are taking a loss rather than carry the goods over.
