IN MEMORIAM

SPENCER—In loving memory of my dear mother, Mrs. Fanny Spencer who passed away Dec. 31, 1949.
Though her smiles have gone forever,
And her hand I cannot touch
Still I have so many memories
Of a Mother I loved so much.
Ever remember by her son, Wm. Spencer.

CARD OF THANKS

Sincere thanks to boxholders of Beaton's Mills R. R. 2, who remembered me at Christmas with gifts and money.

Former Gov. Of Nfld. Dies

MAIDEN NEWTON, England (CP — Vice-Admiral Sir Humphrey Walwyn, 78, governor of Newfoundland from 1936 through the Second World War, died Sunday at his southwest England home. He formerly was flag officer commanding the Royal Indian Navy.

Walwyn's term of office was extended several times beyond its original three years.

His appointment continued a tradition of naval association with Newfoundland which began when the first governor, a naval captain, was appointed in 1729.

Walwyn brought to his post a talent for organization badly needed in Newfoundland, which had gone bankrupt three years earlier.

The British government had set up a commission with sweeping powers to run the affairs of the colony.

Within two years of his appointment, Walwyn returned to London and obtained £1,000,000 from the government to help Newfoundland's fishing industry.

Walwyn went to Newfoundland after a distinguished naval career, climaxed by his appointment as flag officer commanding the Indian navy. He occupied this post between 1928 and 1934, reorganizing the service on a combatant basis.

In 1912 he married Miss Eileen Straubenzee and they had one son who also entered the Royal Navy.

Plan Textile Tariff Hearings

OTTAWA (CP) — The tariff board announced Saturday the fourth in a series of public hearings on the textiles industry will begin March 25.

The board study is to deal with production, yarns, fabrics, cotton blankets, bags, clothing, duck and sails for ships.

Board secretary J. C. Leslie said that although the hearings advertised in the current notice are likely run continuously from March 26 to the end of April, an effort will be made by the board to provide breaks.

This will be done to make it easier for those interested in certain items only to attend discussions relating to them only, without having to be present throughout the entire series of hearings.

The 53 tariff items to be studied will be divided into three groups.

The hearings resulted from an order by Finance Minister Fleming calling for a study of the tariff structure of the entire textiles industry. The board was also asked to recommend tariff changes if these are found necessary.
