N. Y. Stocks

NEW YORK (AP)—The stock market crawled through a slow session of rather narrowly mixed prices Friday.

On average, the market was up, but there were more losers than gainers in the list, and the price of trading was the slowest since late August.

Railroads had late strength that proved to be the best showing of any major group. Steels did well. The rest of the market was mixed to lower with individual gains being registered in motors, aircrafts and chemicals.

The Associated Press average of 60 stocks was up 10 cents at $165.70. The industrial component of the average was up 10 cents, railroads gained 70 cents and utilities fell back 10 cents.

Canadian issues were lower. Hiram Walker fell ¾, International Nickel slipped ⅝ and Dome Mines lost ½. Canadian Pacific and Distillers Seagram both remained unchanged.

On the American stock exchange Lake Shore and Giant Yellowknife both remained unchanged and Royalite Oil was up ⅛.

TORONTO (CP)—Mning issues recovered from a dull start Friday and base metals and golds showed fractional index gains at the close of trading on the Toronto stock exchange. Western oils were a little easier but above their low of the day.

Hudson Bay lost a point while other senior base metals were fractionally mixed. Eureka was again strong with a 25-cent advance to $2.40 on 158,000 shares. The warrants jumped 23 to $1.25. Grandue, Cassiar and United Asbestos eased 20-30 cents. Sherritt, Coniagas and Eastern Smelting were firmer in a 15-20-cent range.
