Morning Stock Letter

(Received over Pitfield and Co's Private Wire)

NEW YORK, May 13—Again there i no important news this morning which might have any unusual influence on the market except the fact that the Senate will undoubtedly change the Tax Bill as passed by the House. Debate on the Frazier-Lemke Bill will continue in the House today and vote will be taken either late today or tomorrow. The New York Herald Tribune carries the story that Al Smith with not attend the Democratic Convention. Exchanges are about the same as they have been the last few days. Dividend meetings today include Eastman Kodak, Int. Mining and U. S. Gypsum. There is nothing in the news this morning that will be stimulating to the market, consequently we would look for another irregular quiet affair.

TORONTO, May 13—Shawkey Gold Mining Co.—Operating in the Siscoe Gold area of Quebec is obtaining gold results and opening high grade in development work on the 5th level, officials state. More free gold is in evidence in this area, than in any other section of the mine. It is estimated that ore reserves now total more than 100,000 tons. The mill is operating satisfactorily at its rate capacity per day.

WASHINGTON, May 13—U. S. Treasury Department late last night reported an agreement with representatives of large Canadian Distillers settling the U. S. Govt's claim that the distillers owe tariff duties on liquor smuggled into this country during prohibition. Under its terms of agreement the Canadian distillers will pay several million dollars in duties on alleged liquor smuggled, the exact amount has not yet been disclosed. The Treasury's original claim was for $100,000,000 but the final settlement is understood to have scaled this sum down drastically, under terms of the agreement. The Treasury will not press for enactment of that clause in its Liquor Control Bill which would permit the Treasury to prohibit further imports of liquor smuggling in. The threat to have this legislation enacted precipitated the negotiations which closed last night.
