Nervous Headaches

Mrs. Bailey, 632 Queen's Ave., London, Ont., whose husband is with the Globe Casket Co., states:—"My nervous system was in an exhausted condition. I could not sleep well and suffered a great deal from headaches. Experience has proven to me the remarkable value of Dr. Chase's Nerve Food. I have found it a splendid tonic and can now say that I am free from headaches. I rest and sleep better than I have for a long time and feel real well in every way."

Nervous headaches can only be permanently cured by enriching the blood and setting the nervous system in perfect order. Dr. Chase's Nerve Food is not a relief for headache but a thorough and lasting cure. It creates new, rich blood and nerve force and makes the weak and sickly strong, well and vigorous. It is nature's greatest restorative. 50 cents a box, at all dealers, or Edmanston, Bates & Co., Toronto.
