Toronto Stocks

TORONTO (CP) — A muffled ripple of buying in the closing 15 minutes Thursday recovered a small portion of the losses sustained in the stock market's second straight sharp decline.

All sections but western oils managed to chop off a few decimal points from their index losses near the close.

The western oil index lost 3.37 points while base metals were down two points on their index. Golds lost more than one-half point to close at 80.15, a 1956 low.

Brokers said the small rally was a natural reaction following two days of heavy losses. They said the sell-offs resulted from rumors started late Tuesday that margin requirements for the buying of stocks might be increased.

International Nickel Dipped 1⅜ points among senior base metals while Consolidated Smelters was down a point. United Asbestos, Cassiar, Explorers Alliance and Iron Bay lost 20-25 cents in juniors. Temagami took a 60-cent loss in coppers.

Cree, off 40 cents, Canadian Devonian, off 35 cents, and Banff, Canadian Atlantic and Security, off 25 cents, were among the heavier losing western oil stocks. General Pete A lost 65 cents in light trading.
