GRAIN

WINNIPEG, Jan. 30 — (CP) — Prices followed irregular U.S. trends in an inactive session of the Winnipeg Grain Exchange today. Commercial demand was quiet and there was no aggressive buying.

Domestic shipping orders were reported in oats and barley. There was a little industrial support in flax and also light accumulation by exporters in flax. Modest U.S. buying interest appeared at times in rye. There were some U.S. offerings in oats.

Large surpluses coupled with slow export movement of U.S. grain and better crop prospects in other world grain growing countries were blamed for the dull trade.

There were no reports on overnight export loadings of Canadian wheat.

Class two durum wheat was up three cents. Other class two and IWA top grades prices were unchanged.

Closing prices:

Oats — May 77⅜; Jly 75¼; Oct. 75⅝-A.

Barley — May 1.22⅛B; Jly 1.18-½A; Oct. 1.16⅝A.

Rye — May 1.64¾; Jly 1.65⅞; Oct. 1.67⅝.

Flax — May 3.17; Jly 3.19¾A; Oct. 3.21½A.
