### Throw Away Your Eye-Glasses!

A Free Prescription  
You Can Have Filled and Use at Home.

Do you wear glasses? Are you a victim of eye-strain or other eye-weakness? If so, you will be glad to know that there is real hope for you. Many whose eyes were failing, say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me."

The atmosphere seemed hazy with or without glasses, but after using this prescription for fifteen days everything seems clear. I can even read fine print without glasses. It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting glasses. Eye troubles of many descriptions will be wonderfully benefited by following the simple rules. Here is the prescription: Go to any active drug store and get a bottle of Bon-Opto Tablets. Drop one Bon-Opto tablet in 1/2 glass of water and allow to dissolve. With this liquid, bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothering you even a little, take steps to save them now before it is too late. Many hopelessly blind men have been saved if they had cared for their eyes in time. The Valman Drug Co., Toronto, will fill the above prescription by mail, if your druggist cannot.

A prominent City Physician to whom the above article was submitted, said: "Bon-Opto is a very remarkable remedy. Its constituent ingredients are well known to the medical profession and are entirely non-toxic. It can be obtained from any good druggist and is one of the best and most reliable eye treatments I have kept on hand for regular use in almost every family."

### N. MEMORIAM

PEARL CONDON

The community of Murray Harbor North and adjacent vicinities were deeply moved on the 7th ult when the sad news spread that at the home of Mr. and Mrs. Michael Dunn (her foster parents) Pearl Condon eldest daughter of Mr. and Mrs. James Condon had departed this life aged eleven years and six months. About the first of last November the deceased, who complained of not feeling well, so Dr. McInyre of Montague was telephoned for and after two or three visits he decided that an operation was necessary and in this he was assisted by Drs. Grant and Taylor of Montague. The operation which was successfully performed, showing she was suffering from a diseased liver and although the Drs. gave no hope still owing to a vigorous constitution fond hopes were cherished that eventually she would recover, but it was otherwise ordered, as God in his inscrutable wisdom saw fit to remove her from this vale of tears, and on the 7th of March the spirit of Pearl Dunn (as she was familiarly known) returned to Him who gave it. The deceased was a bright intelligent girl and a general favourite with all. She was well advanced educationally and high hopes were entertained for her in that respect. Besides her foster parents, Mr. and Mrs. Dunn with whom she always lived and who keenly feel her death, she leaves to mourn her father and Mother, two brothers and three sisters, also a large circle of friends and acquaintances. The last rites of the Church were administered to her by her spiritual adviser, the Rev. T. Gallant of Sturgeon. The pall bearers at her funeral were Bernard Campbell, James Lanigan, Roy Dunn, Harold Lanigan, Elmer Miller and George White who with a large number of sleighs followed the remains to St. Pauls Church where Requiem High Mass was sung after which the body was laid to rest in the Cemetery there to await the final resurrection.

"Still with us, though the vacant place Beside the hearth we see; Though nevermore thy gentle face Our home's calm light may be; Though thy low whispered words of love, No more our hearts may thrill; Though dwelling with the blest, above Yet, thou art with us still."

**IN LOVING MEMORY OF MY DEAR SISTER.**  
Died March 8, 1916.

Thou hast left us dearest sister, And thy loss we deeply feel; But in heaven we hope to meet you, He can all our sorrows heal.

Never shall we hear your footsteps On the threshold of our door; But we know that up in Heaven, You shall tread the Golden Shore.

Oh! how we shall miss you, sister, When the grass grows fresh and green; For together we shall never Walking through the fields be seen.

Since you left us dearest sister, This life is less we hope to live; But to us it makes no difference, For your memory with us stays.

Many tears for you have fallen, Since you left us here below; But we know it was your calling, Or you would not have to go.

For we know that you are happy With your Saviour up above; But with those few lines that written We to you our affection prove. Signed your loving sister, MARGARET McNEILL, Wilton, N. H. 9475.

**MR. S. J. LEARD.**

Death under any circumstances is attended with pangs of sorrow on the part of bereaved ones, for their departed friends. Its decrees stern and immutable are difficult to bear, especially when it takes for its victim one in the midst of life. Such was the case in the death of S. J. Leard of Piquish which took place at his home on April 8th 1916. When the sudden tidings of his departure was made known to his many friends in this province, everyone sympathized with the tender hearts so sorely tried in their hour of no ordinary bereavement. Deceased was a son of the late George Leard of Crapaud, P. E. I. and was in his 66th year. He was in usual health until the day of his death when he was seized with heart trouble. Medical aid was immediately summoned when he seemed apparently recovering, but the shadows of the end were getting closer and despite all earthly tries on the eve of the eighth he passed from this world to the great beyond. He was born in Crapaud but when only a young man removed to Piquish where he carried on business as a miller, and while in his youth at Crapaud and in his life at Piquish he gained the affection of many friends. BUT DODD'S KIDNEY PILLS CURED HER COMPLETELY.

Mrs. Halquist Tells Just Why She is the Firm Friend of the Grand Canadian Kidney Remedy, Dodd's Kidney Pills.

Bangsund, Sask. April 28th.—(Special)—Mrs. Pete Halquist, a well-known resident here, is a firm believer in Dodd's Kidney Pills, and is always ready to tell the reason why. "After using two boxes of Dodd's Kidney Pills she was as well as ever she was in her life. She has been strong and healthy ever since." The after-effects of grippe are more to be dreaded than the disease itself. That is because they generally act on weak kidneys and put them out of working order. Sick kidneys are the cause of rheumatism, backache, dropsy and numerous other diseases. The sure way to avoid them is to keep the kidneys toned up and able to do their work. The best way to keep the kidneys healthy is to use Dodd's Kidney Pills.

### The Royally Bred Trotting Stallion BOTTOM (41818)

Certificate enrolment No. 2. Pure bred. Race record 2.23 3/4, trial in 2.15, on a half-mile track. Is one of the most handsome and best bred standard bred stallions in Eastern Canada, (winning first prize at the Provincial Horse Show held in Charlottetown in 1913) as perfectly gaited and actioned as can be desired, weight 1150 lbs. and comes of the most talked of breeding niche in the world to-day—the Bingara Kremlin, the world's greatest money winner in 1912; flawless, perfect in form, size, style, color and manners—this stallion offers to the breeders of this province one of the greatest opportunities ever placed before them. Is a son of Bingara (the world's champion sire for his age) sire of 109 standard performers at 14 years of age, of which 106 are trotters and 3 pacers; some of them are: Bismya, 2.09 3/4; Brione, 2.08 3/4; Binvolv, 2.07 3/4; Bergen, 2.06; Belvasia, 2.06 1/4; and Baden 2.05 1/4; who won \$35,775.00 in 1912, and sold to Russia the same year for \$30,000.00 and resold 6 months later for \$35,000.00. Ban, 2.28 at 2 years old (a sister of Bottom) is the world's champion brood-mare for her age at the age of 10, she has 5 in the list, one of them 2.09 1/4 at 3 years old; another 2.10 1/4, another 2.17, and another 2.17 1/4. Bottom is a grand-son of Bingen 2.06 1/4 sire of 212 from 1.54 1/2 to 2.30, selected over all sires as the world's champion trotting sire and universally known to be the greatest family founder that ever lived. Some of his descendants are: Uhlán 1.54 1/2 (his son) the world's champion colt trotter of 1915. In Horse Breeder of March 22nd, 1916, you will see that he was wanted at \$35,000.00 mainly because sons of Bingen are doing wonders as sires. Admiral Dewey 2.04 3/4 (a son) who was a world's champion; Anna Bradford 2.00 3/4 at 3 years old, is the world's champion for her age; Etawah, 2.03 at 5 years old, was a world's champion trotter at 2 years old, also at 4 years old; Walter Cochato 2.02 1/4; Lee Axworthy 2.03 1/4 at 3 years old; Lord Dewey 2.03; Bob Douglas 2.04 1/2; Baden 2.05 1/4; Gazetta 2.06; The Northern Man 2.06 1/2; General Todd 2.04 1/4 at 3 years old, who was a world's champion; Bergen, 2.06 3/4; Henry Todd 2.03 1/4 at 2 years old, was a world's champion trotting gelding for 1914; Todd 2.14 1/4, (a son of Bingen) known as the phenomenal sire of extreme speed, sire of the noted race horse Mayor Todd. I am going to copy a few lines from the Horse Breeder of April 12th, 1916. "Son of Binger 2.06 1/4, sired 134 standard performers in 1915; McKinney 2.11 3/4 stands second, in this respect with 58; while Axworthy 2.15 1/4 is third with 54; and the fourth with 50." Notice how Bingen breeds on his sons siring upwards of three times as many as any other sires sons. No stallion ever lived that has equalled Bingen age considered as a family founder. Bingen 2.06 1/4 is the sire of Todd 2.14 1/4; and grand-sire of Todd Mac, 2.05 3/4 and great grand-sire of Anna Bradford 2.00 3/4, at 3 years old; again Bingen 2.06 1/4 is the sire of Admiral Dewey 2.03 1/4, and grand-sire of Lord Dewey, 2.03 (the premier at College Farm Chatham Ontario; Canada's greatest extreme speed nursery where such trotters as Major Brino 2.04 1/4; Colledge Maid, 2.05 1/4; etc. etc. are raised.) The Horse Review of March 1st, 1916, gives the amount of money won by the Bingen-family in 1915 races as: \$41,857.25, the next highest winning family won \$146,309.00, giving the Bingen family \$95,548.25 over the next highest family. Copied accurately. What a wonderful family! Arion 2.10 3/4 at 2 years old to high wheels, (Bingara's grand-sire on the dam's side) was the world's champion in 1891; as a 2 year old; and was looked upon the greatest horse that ever lived, he stood at a service fee of \$2,500.00 no other horse before or since ever reached these figures; when sold he brought \$150,000.00 the most ever paid for a horse Kremlin, 2.07, weight 1200 lbs. (the sire of Bottom's dam) was the world's champion in 1892, and is universally admitted to be the world's champion brood-mare. Miss Russel (the grand-dam of Kremlin and dam of Maud S. 2.08) is the world's champion brood-mare any age. You can see Bottom is related to all the noted horses, Kadika, (the dam of Bottom) weight 1200 lbs. has 5 in the list viz: Bottom 2.23 3/4, trial in 2.15; Berka, 2.14 1/4, timed 2.08 1/4 in a race, Biala, 2.18 at 3 years old; Brenta 2.23 1/4 at 2 years old; Brie, trial as yearling an eight in 18 sec. Bavian 2.30 at 2 years old. Bottom will stand for the season as follows:—Alberton—(Farm of Mr. William McArthur) Dock Road, Monday afternoon May 1st, until Wednesday noon the 2nd O'Leary—Livery Stable, Wednesday and Thursday; Coleman—Farm of Mr. Russel Rogers Friday and Saturday, and will be home Tuesday the 9th until Friday night the 12th, fortnightly on the same days until close of season. Terms: \$15.00 for the season, with full return privileges.
