DAILY MARKET QUOTATIONS

SUMMARY

By THE CANADIAN PRESS
Toronto: Market lower; light trading.

New York: Market mixed; moderate trading.

Montreal: Market generally lower; quiet trading.

NEW YORK

NEW YORK (AP)—An early advance by the stock market faded and stock suffered their tenth straight d a i l y decline Tuesday. Trading was moderate.

The loss was irregular and there were more gainers than losers among the 15 most active stocks. Nevertheless, it was disappointing to many who hoped for a long-deferred rally.

No piece of news was especially upsetting to the Wall Street community: The price of a seat on the New York Stock Exchange had taken a sharp drop of $45,000 to $160,000 from the previous sale June 17.

A second dampening report was news that the Securities and Exchange Commission had endorsed the recommendation of a study group that "insider trading" be abolished, informing Congress of its decision.

On the more positive side were items that the U.S. gross national produce—the total output of goods and services—had risen to a record in the second quarter and that the Association of American Railroads would support President Kennedy's proposal to settle the railway labor dispute by referring it to the Interstate Commerce Commission.

RAILS WEAK

Rails were weak all day, however, and this lent them no particular encouragement.

Although many stocks sold well below their highs and some took fairly sharp losses, motors, drugs, electronics and oils remained generally higher. The trend in most other leading groups was lower or mixed.

The Associated Press average of 60 stocks declined 1.0 to 263.4.

Volume was 3,500,000 shares compared with 3,690,000 Monday.

The Dow Jones industrial average dropped .90 to 687.84.

Among Canadian issues, Aluminium Ltd. and Canadian Pacific were down ¼, Distillers Seagrams ⅞ and Dome Mines and International Nickel ¼. Mcintyre Porcupine gained ½ and Granby Mining ¼.

American Exchange prices were irregularly lower. Canadian stocks were up: Canadian Marconi gained ¼ and Jupiter Corp. lost ¼.

MONTREAL

MONTREAL (CP)—The stock market was down sharply at the open but recovered following an announcement that Canada had not agreed to cut interest interest rates in return for certain exemptions from the proposed 15-per-cent tax on American purchases of Canadian securities.

Trading was light, as the composite index dropped 0.9 points at noon, rose to show a loss of only 0.2 at 120.6.

Banks suffered fractional losses. Imperial Oil, Steels, Bronzes, Dominion dropped ½ and Royal and Nova Scotia were down ¼.

In utilities, B.C. Phone added a full point to its gain of the past five cents and B.C. Power fell ⅛.

In senior base metals, prices were mixed. International Nickel gained ⅛ and Asbestos was up ¼. Aluminium and Noranda were both lower by ⅛.

In papers, prices were also irregular. Abitibi led the gainers, up ⅜. B.C. Forest added ⅛ and Moore was up ⅛. International and Macmillan-Bloedel both fell ¼.

CIL gained ⅝. Industrial Acceptance was up a full point, and Montreal Locomotive was better by ⅝. Argus Corp. fell ⅛. MassEy-Ferguson was down ⅛ and CPR was off ¼.

In western oils, Triad was the only gainer, adding eight cents.

Base metals closing: Dupuis 3. Dupuis 3. Dupuis 3.

NEW YORK (CP)—Canadian dollar down 9-64 at 92 7-16 in terms of U.S. funds. Week ago 92 11-16. Pound sterling down 1-64 at $2.80 3-32.
