NEW YORK

NEW YORK (AP)—The stock market nudged into the plus column in an inconclusive performance Wednesday.

Advances outnumbered declines but the averages were contradictory.

The showing was at least a turnabout from Tuesday's loss which snapped a string of five advances.

Brokers seemed satisfied with the market's showing, saying that a period of reaction would not be entirely unwelcome now.

They added that a further period of backing and filling, possibly including a new test of the 700-level in the Dow Jones industrial average, could prove the forerunner of a more sustained advance later.

The Dow Jones average of 30 industrials rose 1.28 to 817.98. The Associated Press 60-stock average was unchanged at 208.9.

VOLUME DROPS

Volume fell to 7,530,000 shares shares from 9,940,000 Tuesday.

Benguet, up ⅝ at 2⅝ on 173,700 shares, was the most active issue. Alcan Aluminum off ⅛ at 27⅝, also was actively traded.

Ford Motor and American Motors joined General Motors and Chrysler in announcing production cuts but their stocks showed little reaction.

Among Canadians, Massey-Ferguson was up ⅝ and CPR added ⅛. McIntyre Porcupine declined a point, Walker Goodgrham was off ⅝ and Granby Mining dropped ⅝.

Prices were mixed on the American Stock Exchange. Most Canadians were unchanged although Brazilian Light gained ⅛ and Scurry Rainbow dropped ⅛.

MONTREAL

MONTREAL (CP) — Prices drifted fractionally lower Wednesday in dull trading on the Montreal and Canadian stock exchanges.

Senior mines and oils paced the decline although most drops were small. The two sections previously had led the exchange to its best gains since the mid-October rally.

Sicard was the session's only bright spot, rising 1¼ points to 7¼ on a turnover of 2,635 shares. The company announced Wednesday that talks now are under way which may lead to an offer being made for all outstanding no-par value common shares of Sicard. The second party in the talks was not named.

COMINCO LOSES 1⅛

Cominco took the heaviest loss, dropping 1⅛ points to 31⅝ on 1,085 shares. Hudson Bay Mining was off ¼ at a new low of 62⅞.

Among senior oils Imperial Oil fell ⅝ to 56⅛ and Home A ¼ to 23⅝.

Elsewhere, Interprovincial Pipe Line declined 1 to 83.

Among the gainers Canada Cement and B.C. Telephone each rose one point to 33 and 63, respectively.

Canadian Breweries led the list of most active industrials. It rose ¼ to 7⅛ on a turnover of 52,945 shares composed mainly of special-size transactions.

Prices continued to drop on the Canadian Stock Exchange. Peace River fell 40 cents to $7.60.

On index, industrials fell .44 to 149.29, banks .50 to 168.73 and papers .65 to 105.91. Utilities were up .14 at 120.08.

TORONTO

TORONTO (CP) — Western oils moved lower Wednesday on the Toronto Stock Exchange.

The oil index climbed 1.39 to 134.25 after being off as much as 1.33 in morning activity.

Dome, which jumped 3⅝ Monday but fell 1⅛ Tuesday in profit taking, added 2⅝ at a 1966 high of 39⅝. There have been rumors that the company encountered natural gas and oil on its Zama Lake property in northwestern Alberta. Earlier Dome had dropped to 36½.

Banff, which also has holdings in the area, gained ⅛ to 18. Union oil slipped 1 to 23.

INDUSTRIALS WEAK

Oils have strengthened sharply in the last month as a result of recent sales of oil and natural gas leases in Alberta and also in anticipation of a further major sale of leases scheduled next month.

Industrials were weaker. Falconbridge declined 1⅝ to 55⅝, Texaco 1⅛ to 69⅝ and Alberta Gas Trunk 1 to 39⅝. Versatile gained 1½ to 26⅝ and Canadian Breweries ⅛ to 7⅛ on 107,715 shares, 68,100 of which were involved in three special size transactions.

On index, industrials were down .65 to 148.27, base metals .21 to 84.14 and the TSE .35 to 142.21. Golds rose .09 to 148.31. Volume was 2,671,000 shares compared with 2,715,000 Tuesday.
