FREIGHTER REPAIRED

QUEBEC (CP)—The British freighter Roonagh Head was moved into the harbor during the weekend, a gaping hole in her bow repaired. The 6,000-ton vessel had been in drydock since a collision with the ore carrier Tritonica on the St. Lawrence July 20. Thirteen men died when the Tritonica sank. The Roonagh Head began loading cargo and is expected to sail for Ireland later this week.

NEY YORK

NEW YORK (AP)—The stock market gave ground grudgingly Tuesday, registering its first clear-cut decline in eight sessions. Trading was slack.

The loss was slight, based on the performance of the popular market averages, and it came as no surprise.

At the same time, the character of the market remained pretty much the same as in recent sessions—strong demand for an assortment of investment - grade and more speculative issues.

Volume of 3,650,000 shares was about the same as Monday's and reflected a degree of caution, as this is sub-par for recent sessions.

The Dow Jones industrial average took a modest loss of 1.54 at 717.27 and Standard and Poor's 500-stock index edged off .06 at 71.38.

The Associated Press average of 60 stocks took a minimal loss of 1 at 276.4.

Motors were active in mid-session as the street continued to hear encouraging reports on one kind or another from the automotive industry. The group ended somewhat mixed.

Curtis Publishing fell ⅝ to 5⅝ on the news that Wally Butts, former University of Georgia coach, was awarded a $3,000,000 judgment in a libel suit against the Saturday Evening Post.

Among Canadian issues, Aluminium Ltd. gained ⅛, Canadian Pacific ⅜, Dome Mines ½, Hudson Bay Mining ¼ and Quinlan Porcupine ⅝. International Nickel fell ⅞ and Walker Gooderham ½.

Prices were irregular on the American exchange. Canadian issues were generally quiet. Canadian Marconi dropped ⅛ and Scurry Rainbow Oil ¼.
