Lt.-Gov. Appointments Are Being Considered

OTTAWA (CP) — appointment of new lieutenant-governors for Newfoundland, Nova Scotia and Saskatchewan is still under consideration," an official source said here.

Final decision by Prime Minister Diefenbaker and the cabinet is not expected before the middle of next week but may be made at any time, the informant said.

The regular Thursday cabinet meeting was not held because of preparations for the annual meeting of the Progressive Conservative Association opening here. The cabinet met Tuesday.

Mr. Diefenbaker, who announced Tuesday the appointment of a new lieutenant-governor for Ontario — veteran parliamentarian Earl Rowe, MP for Dufferin-Simcoe—said last week that the terms were expiring for the lieutenant governors of the three other provinces.

There is no definite term for lieutenant - governors, although they usually hold office for about five years. Some have held office as long as 10 years but without specific extensions. Their terms are allowed to run on until a new governor is named.

COMPLAINTS EXPRESSED

No official comment was available on complaints expressed in St. John's, Nfld., that Lieutenant - Governor Campbell L. Macpherson was given short notice of 12 days of the termination of his appointment.

When a lieutenant - governor dies in office or leaves his post before the appointment of a successor, there is no automatic transfer of his responsibilities to a deputy as there is in the case of the Governor-General.

The chief justice of the Supreme Court of Canada is the Administrator of the government of Canada in the absence of the governor-general when that post is vacant or the incumbent is abroad for an extended period.

The government has been considering this lack in the British North America Act in connection with vacancies in the posts of lieutenant - governor but has not yet found a formula to correct it.

MONTREAL (CP) — A bullet fired by a policeman wounded both a runaway suspect and another policeman in an early-morning chase in the towntown area Thursday. Const. Richard Salbuerg fired the shot after a man who fled from a police station where he was being questioned. Const. Maurice Tellerin, who chased the suspect, was wounded in the leg. The man, hit in the left arm, was released from hospital after treatment and Const. Tellerin, 27, was in satisfactory condition.
