HOLIDAY IRKS M.P.

British actress Vivien Leigh, right wearing sun glasses and shorts, strolls through street in San Vigilio, Italy, Tuesday, with her first husband, Leigh Holman and their daughter, Suzanne, 23, during their current vacation together. Mrs. Jean Mann, a lady member of British Parliament from Scotland, called it a "terrible example" that Miss Leigh was vacationing with her daughter who lives with her former husband, while her present husband, Sir Laurence Olivier, was holidaying in Scotland.

DAILY MARKET QUOTATIONS

SUMMARY

By THE CANADIAN PRESS

Toronto: Market narrowly higher in moderate trading.

New York: Market higher; brisk recovery.

Montreal: Industrial level lower despite afternoon recoveries.

CURRENCIES

MONTREAL (CP) — The U.S. dollar Tuesday closed at a discount of 5 25-32 per cent in terms of Canadian funds, down 5-32. Pound sterling $2.62 7-16, down 5-16.

TORONTO

TORONTO (CP) — The stock market rebounded from a moderate decline Tuesday to post a slim advance, only the second in nine sessions.

All indices recorded gains with industrials leading, up three-quarters of a point.

Although all indices wee ahead on the day, losses outnumbered gains. But most of the losses were reduced by at least one-half. The rally followed Monday's sharp decline, one of the heaviest of the year.

Observers said the advance was more of a technical readjustment than anything and said that it might be only a breather before prices go down again.

Senior base metals were narrowly higher, sparked by a 1¾-point climb by International Nickel to 81. McIntyre gained ½ at 88 among senior golds. Aconic featured lower-priced mines with a 37-cent advance to $2.65. Advocate and Stanleigh Uranium was off 25 cents each.

Senior base metals were mixed at the close after being down major fractions for most of the session. Half a dozen lower-priced issues gained 15-25 cents while losses were generally confined to 15 cents or less.

Index gains: Industrials .71 to 443.51, golds .52 to 75.33; base metals .20 to 175.09, western oils .05 to 166.31.

NEW YORK

NEW YORK (AP) — Waves of buying and selling snapped the stock market out of the doldrums Tuesday and put prices ahead on the biggest volume since July 11.

Wall Street sources said the action was mainly technical.

The market recouped nearly half of its overall loss estimated at $3,850,000,000 in Monday's rout which was linked with the Communist coup in Syria and other uncertainties.

Both the sell-off and the subsequent rise affected most divisions.

The Associated Press average of 60 stocks rose $1.50 to $176.70 with the industrials up $3.00, the rails up $1.40 and utilities down 10 cents.

Prominent Canadian gainers on the New York exchange were Aluminium Ltd., up 1¾ on 9,200 shares and International Nickel, 70 1¾ on 7,000 shares. McIntyre porcupine lost one on 100 shares. Granby Mining, Hudson Bay Mining and Distillers-Seagrams were off fractions.

Canadian gainers on the American exchange included Peston East Dome, up ¼ on 800 shares Fargo Oil, Richwell and Sapphire Petroleums, all up 1-16 and Jupiter Oils, up ⅛. Losers included Shawinigan, off ¼ on 150 shares.
