NEW YORK

NEW YORK (AP) — Stock market averages squeaked out gains Friday which put them at all-time highs as profit taking marred a continuation of a vigorous New Year's rally.

Traders, cashing gains made in the two prior sessions as well as additional advances in favored issues early Friday, pulled the props from a number of issues which were flying high.

Nevertheless, enough re-investment demand remained to give the market an unsettled advance although it was awarded slow consideration by pre-weekend selling.

G. D. Searle, which made its debut on the big board only Thursday when it was traded up 12½ points above its last bid price on the over-the-counter market, was the most active issue for the second consecutive session. It sank 2½ to 80½ on 210,400 shares. Buyers switched to other drug stocks which have an interest in birth control pills.

Among these, Parke, Davis was third most active and up 1¼ at 34¼ on 110,800 shares; and Johnson and Johnson ran up 8⅛ to 112½.

STUDEBAKER UP

For the list as a whole, a fairly solid early rise was short full of holes even though final figures showed considerably more gainers than losers. Among leading motors all declined except Studebaker which rose ¼.

Rails and airlines were irregularly lower. Many groups were mixed.

The Dow Jones industrial average ended the day with a gain of 1.60 at 767.68, topping the previous peak of 767.21 reached at the close on Dec. 18.

The Associated Press average of 60 stocks gained .5 at 287.2, exceeding its Dec. 18 record of 286.8.

Of 1,332 issues traded, 639 advanced and 430 declined.

Volume was 5,540,000 shares compared with 4,680,000 Thursday.

TAKEOVER RUMOR

A big feature of the day was an advance of 205 points by Superior Oil which closed at 1,435. Reports were that Texaco which closed unchanged—is negotiating to acquire Superior's Venezuelan properties, but these reports were unconfirmed.

Among Canadian issues traded Canadian Pacific, Granby Mining, Hudson Bay Mining, International Nickel gained ¼. Aluminium Ltd. added ⅜. Dome Mines lost ⅝, Distillers Seagrams ½.

Prices on the American Stock Exchange moved generally higher. Jupiter Corp. added ⅜, Brazilian Traction ⅛, Molybdenite and Fargo Oil each 1⅛. Canadian Javelin lost ⅜. Preston 1-16.
