BABY WHOOPER HOME ON TRIAL

NEW ORLEANS, Number One, older but smaller of the pair of month-old whooping cranes at Audubon Zoo here, watches his larger brother flap wings and step forward to begin pecking spat which ended with Number One on ground. Number One is home on trial after more than a weeks separation for his own protection. Parents Crip (right) and Josephine haven't been able to cope with squabbles between the two. (APWirephoto)
