NEW YORK

NEW YORK (AP) — Selective demand for blue chips and a slight pickup in activity by traders accompanied a moderate stock market advance Thursday.

Volume rose to 3,370,000 shares from Wednesday's 3,090,800.

The Dow Jones industrial average rose 3.35 to 671.43.

The Associated Press average of 60 stocks advanced 7 to 254.6.

General Motors was ⅞ at 63¼ on 50,200 shares. Chrysler was up ⅝ at 90 , and Standard Oil (New Jersey), up ¾ at 61¼.

Perhaps the most significant aspect of the session was the steady demand for blue chips such as Jersey Standard and General Motors.

The day was a dull one, however, and analysts saw it as a minor shift in the stock market tide while the Wall Street community awaited some more impetus from the larger situations such as those involving the tax reduction—reform question and the Cuba situation.

Gaining ½ apiece among Canadian issues were Distillers Seagrams and Hudson Bay Mining. Walker Gooderham was up ⅝ and Domre Mines ¼. Canadian Pacific was down ⅛.

Prices on the American Exchange were irregularly higher. Volume was 900,000 shares compared with 710,000 Wednesday.

Kerry Rainbow Oil gained ½ and Canadian Marconi and Shawinigan ⅛ each. Jupiter Corp., was down ⅛ and Preston 1-16.
