Ship Pilots Reject Flight

HALIFAX (CP)—Two ship pilots who refused a helicopter ride after their rowboat became jammed in field ice near Sheet Harbor, on Nova Scotia's eastern shore, rowed home late Monday.

Ruben Power and Jim Hubley became jammed in the ice as they headed out from Sheet Harbor to meet a freighter. An RCAF helicopter was sent out to pick them up, but the pilots refused the ride and stayed on a small island until the ice moved off and they rowed ashore.
