IN MEMORIAM

MacNEILL — In sad and loving memory of a dear husband and father, Neil MacNeill, who was accidently killed Oct. 1, 1962.

We little knew when we woke that morn
The sorrow the day would bring
The call was sudden, the shock severe,
To part with one we loved so dear.
Sometimes its hard to understand
Why some things have to be.
In His wisdom, God has planned
Beyond our power to see.
Ever remembered by wife Alice and family.

MacNEILL — In Loving memory of Neil MacNeill who was killed one year ago today, Oct 1st, 1962.

In a quiet country graveyard
Where the breezes gently blow,
Lies the one we loved so dearly
That we lost one year ago.
You left behind some aching hearts
That loved you most sincere.
We never have or never will forget you Brother dear.
It was a sudden ending
So sudden to forget,
And we who loved you dearly
Are the ones who can't forget.
Ever remembered by his sisters.

CURRENCIES

MONTREAL (CP) — The United States dollar in terms of Canadian funds was up 3-32 at $1.07 25-32. Pound sterling was up ¼ at $3.015¾.

NEW YORK

NEW YORK (AP)—Weakness in blue chips and light trading characterized Monday's stock market action, regarded as a further step in the consolidation following the rise to new peaks. The trading session coincided with the end of the third quarter and analysts said that some of the big investment funds were selling high-quality issues in order to be able to record large capital gains in their quarterly statements.

Losses included Standard Oil (New Jersey), down 2½, Du Pont, down 4¾ and General Motors, down 1.

The Dow Jones industrial average fell 5.19 to 732.79.

Volume declined to 3,730,000 shares from 4,380,000 Friday, the lowest since Aug. 20 when 3,650,000 shares changed hands.

The list was steady at the opening, however, but then eroded quickly. A flurry of recovery towards the close erased some losses and produced some gains. Among issues rebounding was Chryler, the most active stock, up 1 at 83¼ on 139,200 shares.

The Associated Press average of 60 stocks declined 1.8 to 276.0.

Among Canadian issues traded, Hudson Bay Mng. and Canadian Pacific gained ⅛, Hudson Bay ½, and Distillers Seagrams ¼. Dome Mines and Mcintyre Porcupine fell ¼ and International Nickel ¾.

Prices on the American Exchange moved generally lower. Canadian Marconi fell ¼, Security Rainbow Oil ⅝ and Canadian Javelin ¼ and Preston 1-16. Pargo Oil gained 1-16 and Jupiter Tube ¼.

TORONTO

TORONTO (CP) — The stock market slipped further into the predetermined correction period with prices generally down in moderately light trading Monday.

The industrial index was down for the fourth day in succession during which time it has fallen 10.65 to close Monday at 638.43. Brokers say the correction could last up to a month, but are optimistic about long-term prospects.

B.C. Power attracted the most interest on the Toronto industrial board. The stock fell ½ to 24½, trading 97,724 shares. One analyst suggested that investors were disappointed over the B.C. Electric settlement between the power company and the British Columbia government, but that "there is a very strong possibility that institutions may be involved" in the heavy trading.

Papers were weaker. Moore Corporation dipping ¾ and Abitibi ½.

Banks were down and automobiles and financial issues were lower in sympathy.

Granby slumped 5½ to 17½ and International Nickel ¼ among base metals. Labrador Mining gained ¼.

In speculative mines Leitch dipped 14 cents to $2.25 and Iso advanced nine cents to $1.48.

Great Plains Development climbed 10 cents to $14.25 and Central Del Rio 20 cents to $7.65 in senior westerns. Westates Petroleum rose 15 cents to $8.65 after setting a new high of $9.45 earlier in the day.
