Aussies Come From Behind To Take Lead In Davis Cup Series With United States

(By Bob Cavaganaro, Associated Press Sports Writer)

PHILADELPHIA, May 31—Jack Crawford and Adrian Quist really came from "down under" today to trim Donald Budge and Gene Mako, a couple of California kids, in a thrilling uphill five-set doubles match to give Australia a 2-1 lead over the United States in the American Zone Davis Cup tennis series.

The scores were 4-6, 2-6, 6-4, 7-5, 6-4.

Needing only two points for victory in the 10th game of the fourth set, Mako flubbed an easy smash into the net, attempting a put-away for the valuable point. This failure demoralized the Americans' team-work and paved the way for Australia's triumph.

The victory of the Wimbledon doubles titleholders virtually ended America's chances of recovering the international trophy lost to France nine years ago.

As the result of the even break in the opening two singles, in which Quist walloped Wilmer Allison 6-3, 5-7, 6-4, 6-1, and Budge outlasted Crawford 6-2, 6-3, 4-6, 16, 13-11, and today's conquest, all the Australians need is one victory in tomorrow's concluding singles. Although visibly fatigued from 10 gruelling sets in the last two days, Crawford is favored to take Allison in the first match, and the Budge-Quist contest is regarded as a toss-up.

Mako's collapse in the critical 10th game was followed by another blow-up by the Los Angeles blond in the seventh game of the final set. As the result of capturing the first three frames, with a break through Quist's delivery in the second, the Americans led the Australians 4-2 and once again seemed to have the match sewed up.

Eager to end the conflict, Budge, who was serving, and Mako moved up to the service line after the delivery. Crawford set up a short lob. Mako called to his partner, "I have it," and then blasted the ball out into the stands holding 6,000 spectators. The Australians used him for their target on the next point, this time Quist executing the lob and once again Mako smashed the ball out.

Budge Cracks

It was the finish for Budget and Mako, although they rallied to win the next three points. The Aussies deuced it on another wild hit by Mako. By this time Budge had caught the fever too, and he handed the game to Crawford and Quist by netting two shots.

Crawford served the eighth game but apparently pressed too hard because he dropped the first two points on a double fault and was caught out of position on a placement by Mako. The Wimbledon champions then turned on the heat and won 12 of the last 13 points to finish it. Four of them were brilliant placements by the machine-like Crawford.

The Americans broke Crawford and Quist's services three times each in the first two sets. After that Crawford's delivery became too hot to handle and Quist yielded only one more game on service. Quist's habit of fading into his service resulted in six foot faults being called against him.

Bryan (Bitsy) Grant of Atlanta and Vivian McGrath of Australia, left out of the actual competition, put on an exhibition after the doubles match. Grant won in straight sets, 6-3, 6-4, and there were some who immediately raised eyebrows at the American team leader, Walter Pate, for using Allison instead of "Bitsy."

Meyer Sets New Record In Speed Classic

INDIANAPOLIS, Ind., May 30—Accomplishing what no other driver before has done, Louis Meyer of Huntingdon Park, Calif., roared to his third victory in the 500-mile automobile race over the Indianapolis motor speedway Saturday in record-breaking time and with a record-smashing crowd cheering him.

Meyer drove his four-cylinder special the full 500 miles without relief and made only two quick stops. He covered the distance in 5:35:03.69 to average 109.069 miles an hour, breaking the previous record of 106.240 miles an hour hung by Kelly Petillo, colorful Italian of Huntingdon Park, Calif., in winning North America's speed classic last year. Meyer won before in 1928 and 1933.

Another Californian, 27-year-old Ted Horn of Los Angeles, finished second, nearly three miles behind Meyer, with Maurt Rose of Dayton, Ohio third, 7 1-2 miles back. George "Doc" MacKenzie of Eddington, Pa., was fourth. Petillo driving the last 125 miles as relief, piloted MacKenzie's car over the finish line. Chet Miller of Detroit, was fifth and Ray Pixley of Fullerton, Calif., was sixth.

Fifteen of the 32 starters finished and only five ran out of gasoline which was restricted to 37.5 gallons for the 500 miles.

Meyer earned about $35,000 of which $20,000 was first prize money with the additional coming from lap prizes and cheques from accessory manufacturers.

Von Cramm & Perry Reach Tennis Finals

PARIS, May 31—Fred Perry, England's famed tennis star, had to muster all his cunning and tennis art today to defeat Christian Boussus, first ranking French star, in the semi-finals of the French hard courts singles championship.

Perry, hard pressed all the way, eliminated the Frenchman, 6-4, 7-5, 5-7, 6-2 to to join Baron Gottfried Von Cramm of Germany in the final. The German easily defeated Marcel Bernard of France in straight sets, 7-5, 6-1, 6-1.

Reaching the finals of the women's singles were Mme. Simone Mathieu of France, who vanquished Marie Louise Horn, Germany, 6-4, 6-4, and Mme. Hilda Krahwinkel of Denmark, who defeated Countes De Valdene of France, the former Lili De Alvarez of Spain.

Perry played carelessly in the first set and the Frenchman pounced on his every mistake to take his own service at love and even the match at four-all. Perry rushed back strong, however, winning the next two games and the set although he was within set point six times before he finally broke through to win it.

Over-eagerness cost the Frenchman his big chance in the second set. After tying it up at five-all with a love game victory at his own service, he became so eager the experienced English champion, defending his title, forced him to error and lose his opportunity. Perry won the next two games.

Boussus won every one of his services in the third set and twice broke Perry's, but it was his final bolt. His game collapsed suddenly after that and Perry galloped off to a substantial lead to win the final set and match with consummate ease.

Mr. Ed. Nicholson And Mrs. Beer Win Tournament

Mr. Ed Nicholson and Mrs. Dr. C. H. Beer won the mixed foursomes 18 hole handicap competition at the Charlottetown golf club Saturday with a 83 score. They barely eked out a win over Mr. Harry Sear and Mrs. Grant Gregory who finished with a card of 84.

Beginning this Wednesday men's 5 o'clock singles matches will get underway for those having a handicap of 20 or over.

Maritime Trials To Be Held In Saint John

SAINT JOHN, N. B., May 31—The Maritime Olympic track and field trials will be held at Saint John on July 4, according to a decision reached Saturday by W. W. Fraser and Sheriff C. D. Shipley, both of Amherst, N. S., vice-president and secretary-treasurer, respectively, of the Maritime Provinces branch of the Amateur Athletic Union of Canada.

Athletes will then be chosen to represent the three provinces in the Dominion trials at Montreal July 10 and 11.

Percy Nicklin Home; Not After Players

(C. P. By Guardian's Special Wire)

MONTREAL, May 31—Percy Nicklin, the man who won England her first Olympic hockey title came to Montreal today. He is enroute to his Fort Frances, Ont., home but anxious to get back to the old country just as soon as the hockey season comes around again.

Nicklin is not on a player hunt. Rather he is just vacationing. "We have too many players under suspension now by the Canadian Amateur Hockey Association without getting into more trouble," he said.

The former coach of the Moncton Hawks when the Maritimers won the Allan Cup, said there will be two more teams in the English hockey league this season. Both of them will operate in a new rink being built by Maj.-Gen. A. C. Critchley, Calgary born promoter of Greyhound racing.

Nicklin has been commissioned to line up players for Critchley's new teams but said he would confine his recruiting to players already operating in the British Ice Hockey Association. Jimmy Foster, Winnipeg goalie and Earl Nicholson, Regina forward, have already been lined up for one of these teams, he said.

Nicklin said it was true the English team had two Canadian-born players on its roster when it won the Olympic championship but both players had performed for England in the world championships at Davos two years previously.

Sport Shorts

PARIS, May 31—Great Britain's hopes for a successful defence of the David Cup teetered in the balance Saturday when H. W. "Bunny" Austin pulled a ligament in his right leg and defaulted to Marcel Bernard, of France, in the quarter-final round of the French hard court tennis championship.

EDMONTON, May 31—Noel MacDonald was the toast of Edmonton today. She scored a last-second field goal yesterday to give Edmonton Grads a 37-35 victory over Eldorado Oilers and deadlocked the best-of-five series for the Underwood Trophy and the international women's basketball title at one win each.

DOMINION, N. S., May 31—The Colliery Baseball League, bolstered by five new imports for each team, was opened here Saturday when Dominion Hawks walloped Glace Bay 9-2. Smokey Joe Kelley held the visitors to three hits while the Hawks pounded Dizzy Doyle for 14.

Thomson Captures British Amateur Golf Title In Keen Battle With Ferrier

(C. P. By Guardian's Special Wire)

ST. ANDREW'S, Scotland, May 31—(C. P. Cable)—The British amateur golf championship rested in Scotland tonight, won over the Royal and Ancient course here by a native of Scotland for the first time in 11 years.

Hector Thompson captured the title Saturday by defeating James Ferrier, burly champion of Australia, two up, winning on the 36th green where he hit a gigantic second shot to within six inches of the cup.

After taking the title left undefended by Lawson Little of California who recently turned pro, the 22-year-old champion said he planned to try the classic "double" and would compete in the United States amateur event at Garden City, Long Island, N. Y., in September. A win for him there would reverse the recent trend established by Bobby Jones of Atlanta, Ga., and Little of taking both British and United States titles in the same year.

The champions of Scotland and Australia played a stirring battle through driving rain and hail. Ferrier made a gallant finish, winning the 35th after his opponent was dormie two on the 34th but Thomson called upon his brassie for a shot that gave him a birdie three on the last hole.

Thomson fired a 74 at Ferrier in the morning and a 71 in the afternoon. He was one down at the end of the first nine holes of the morning round, lost the 10th when he three-putted from 21 feet and went three down at the 12th when Ferrier pitched perfectly for a birdie three.

Thomson fought back gamely and won the 14th, 15th and 16th to square the match and so they remained at the end of the first 18 holes.

The Scot went ahead on the first nine after lunch, turning in 35, one under par, before a gallery of 5,000. He went into the home nine two up. Ferrier cut the advantage to a single hole by winning the 29th with a three but Thomson got it back at the 32nd, only to lose it again at the 35th, the famous "roadhole," where Ferrier played boldly for the green and sank his fourth shot to Thomson's five.

On the home hole Thomson's great second shot almost holed out and Ferrier, whose second was 10 yards away, conceded the hole and offered his hand.

Thomson's total of 145 for the 36 holes was one better than St. Andrew's par. His 21-year-old opponent shot 77-73-150.

Softball And Baseball Tonight

Tip Tops and All-Stars furnish the fireworks in the Industrial Baseball League encounter tonight at the Park diamond. The battle should be a natural. Both teams are anxious for a victory and likely pitching choices are Wilf Stewart for the Tip Tops with "Lefty" McQuaid serving them up for the Stars.

Game starts at 6 o'clock sharp.

* * *

The Hi-Y Grads and Superiors will officially open the softball season this evening at 6.15 when they clash in the City League opener at the Victoria Park diamond.

Interest in the league is at a high pitch and a large crowd is expected to see the boys in action in their inaugural tilt for the Pickard trophy.

Nelson Whitlock will umpire.

Nationals Win Second Straight Tilt

"Tid" McQuarrie's Nationals captured their second straight victory in the Industrial baseball league in a week-end engagement when they defeated the Anchors 5 to 3 in a closely contested battle witnessed by one of the largest crowds in years. Neither team displayed their best efforts but despite numerous errors the teams put on a pleasing show playing headsup ball with runners on the sacks to offset any disastrous results of misplays.

"Oogs" McLeod rangy National hurler went the route for the winners. Time and again he was in difficulties but bearing down hard he squeezed his way out on every occasion. In only two frames were the Anchors able to score chalking up two runs in the fifth and adding their final tally in the sixth. McLeod had eighteen strikeouts to his credit while granting but six hits.

Fultie Pound, Anchors' moundsman hurled a fine game, also striking out ten while giving up nine hits. Nationals runs came in the second, sixth and seventh frame

Candle Pin League Opens To Night

Adequate proof of the popularity of Holy Name Club's recently completed "Leap Year" Bowling League was strikingly manifest by the enormous entry for the candle pin mixed bowling league. The league gets under way this evening at 7:30 sharp. Sixty eager and formidable teams will see action in the first round. Interest in the five-pin tournament was constantly at a high pitch, and attraction in the candle pin venture is almost certain to equal, if not surpass that shown during the recent tourney.

To-night's schedule is as follows:

Ladies	Gentlemen
E. Dougan	R. Whitlock
M. Walsh	A. Murley
M. McFarlane	P. McQuaid
E. McInnis	K. McMillan
F. Mallett	H. Craswell
H. McMillan	G. McDonald
B. McMahon	F. Tierney
A. Walsh	C. Dillon
R. McFarlane	J. Hughes
M. Dougan	H. MacCannell
A. Creighan	R. Bradley
B. McMillan	J. Callaghan

Rules of the game of Kinsley Candle Pins or Rubber Neck, of the American Bowling Congress Assn., will be adopted.

No. 1—The count. Two balls shall be allowed each frame.

No. 2—Dead Wood. Pins knocked down, but remaining on the alleys must be removed from the alleys before the next ball is rolled, or before the player has completed the frame. Pins that have fallen in the gutters must be removed and pins resting partly in the gutters must be removed also. Should a pin fall in removing the dead wood it must be respotted, and pins knocked over by pin or pins rebounding from any other alley must be respotted.

No. 3—The ball. The ball shall not exceed five inches in diameter, but smaller balls may be used.
