BABY'S AWFUL HUMOR

My baby sister had a rash, causing her intense suffering. We had doctors, and tried everything, without a cure. It would scab over, crack open, a watery matter would come out and the scab fall off. We procured a box of CUTICURA (ointment), a cake of CUTICURA SOAP, and CUTICURA RESOLVENT, and she was entirely cured without a scar being left.

MISS LILLIE CHASE, Bristol, Vt. SPREED CURE TREATMENT.—Warm baths with CUTICURA SOAP, gentle exfoliations with CUTICURA, the great skin cure, and mild doses of CUTICURA RESOLVENT.

TURNUED IN A BLANKET.

Pain Too Severe From Rheumatism to Have Even the Nurse's Trained Hand Touch Him—South American Rheumatic Cure Got Him Out of Bed in 24 Hours.

'Some time ago I was attacked with very severe rheumatic pains. My joints swelled and stiffened. I had to be turned in bed on a blanket. I had best doctors and best nurses, but could not get relief. Death would have been welcome. A friend called and recommended South American Rheumatic Cure, I procured it and in twenty-four hours after taking it there was a wonderful change. I was able to get out of my bed into a chair without assistance. I have continued using it, and although 88 years of age, I do not feel within 20 years of it. I am my natural self again, free from pain. I trust you will use the testimony as you think best for suffering humanity's sake.' Samuel Haight, Sparta, Ont.

SANTIAGO, Cuba, Oct. 12.—Major-Gen. Henry W. Lawton, Governor of the Military Department of Santiago, left to-day for the United States on the transport Michigan.

DEAR SIR,—I was for seven years

a sufferer from Bronchial trouble and would be so hoarse at times that I could scarcely speak above a whisper. I got no relief from anything till I tried your MINARD'S HONEY BALSAM. Two bottles gave me relief and six bottles made a complete cure I would heartily recommend it to any one suffering from throat or lung trouble.

THE BANE OF BUSINESS MEN.

Is Dyspepsia Which Ruins the Brightest Intellects.

Dodd's Dyspepsia Tablets Remove this Curse by Banishing its Cause—Their Action is Speedy, Their Effect Positive and Permanent.

Dyspepsia is the blighting curse of the modern business world. Nine-tenths of the members of all the professions, too, are victims of this modern dragon. The shrewdest, most far-seeing merchants, the most astute brokers, the cleverest lawyers, the most eloquent clergymen, and even the most skillful surgeons and physicians are tortured by Dyspepsia.

Many a bankrupt can blame Dyspepsia for his failure; many a seron has

been spoiled; many a lawyer has lost his case—because of Dyspepsia.

Dyspepsia unites the nervous, irritable, cranky, and the weak, and saps the strength and vigor of manhood, and finally its victim for work.

Keeness of foresight and Dyspepsia never go together; clear-headedness and Dyspepsia are bitter enemies.

Dodd's Dyspepsia Tablets are the professional man can have.

Dodd's Dyspepsia Tablets absolutely cure Dyspepsia. They cure it rapidly, thoroughly and permanently. Dodd's Dyspepsia Tablets cure Dyspepsia by removing its cause. They digest the food, and give tone and vigour to the stomach. They fit a man for his business, giving him a clear head, steady nerves, and ensure strength for the whole system.

THE NEW LIGHT A GREAT SUCCESS.

The "Safety" Acetylene Gas Machine, for which we are sole Agents for P. E. Island, has many points of superiority over all others which, upon examination, has been attested to by practical men, having the celebrated CLIFF WARDLAW GENERATORS, which the Safety Heat and Light Co. only is allowed to use.

It is very important to all who contemplate using this most beautiful, brilliant, soft and cheap light, to buy the very best machine, one which requires no attention after recharging with carbide, no shaking of generators to remove ashes, no disagreeable odor on removing ashes, no danger in re-charging—no bon-fire could be built around and over it with perfect safety. It is simply impossible to have an accident with this machine.

The cheapness of the Acetylene Gas is one of its greatest features. For the production of the same light it costs less than coal oil, including handling and breakages, not to speak of the superiority of the light.
