

Many a Lover Has

turned with disgust from an otherwise lovely girl with an offensive breath. Nothing so easily disturbs the delicate balance of love. A refined girl turns away from a young man with a disgusting breath. I know nothing more difficult to endure than a bad breath in another. The strangest fact about it is that the person who has it is not aware of it. Foul breath is caused by bad digestion. My friends, you who suffer from indigestion, just realize what your condition is. Your food ferments and decays, filling you up with impurities and noxious gases, which hasten your decay and decay your condition by your dull eyes, with their yellowed whites, your muddied skin and pimples, unwholesome lips and fetid breath. Try Karl's Clover Root Tea, and see if you will not feel new life surging in your veins! Your eyes will brighten, the whites clear up and the iris sparkling; your headache and your pimples disappear—and why? Because you are all clean within!

SIDE AND PRINCE CO.

SPECIAL communication of Mount Lebanon Lodge, A. F. & A. M. this evening at 8 o'clock. Conferring of 2nd degree. A full attendance requested. PRINCE EDWARD LODGE, I. O. O. F. had a Natal Day service Sunday morning in St. Mary's Church. The brethren to the number of about 30 marched from their Lodge Room to the church where Rev. Mr. Withycombe preached an appropriate sermon. At Berkley, Mass., on the 21st March, Miss Marion Cairns, daughter of the late John Cairns, of Lower Freetown, was united in marriage to Mr. Roscoe Macomber of Bertley. Their many Island friends wish Mr. and Mrs. Macomber a happy and prosperous journey through life. PROBABLY the largest cactus on the Island, certainly the largest and handsomest in Summerside, can be seen in the crockery department of Mr. R. T. Holman's establishment. The leaves are from a foot to about four feet in length and trellised around a pot about three feet in diameter with 100 or more blooms of different sizes. It makes as pretty a mass of leaves and flowers as one could wish to look at.

When a girl can get a man to play her some game of cards, play only, she becomes so stupid she takes her a whole winter to learn. It takes a girl of fashion at least to comb her hair so that it looks a comb had never been near it. SCALD HAND. Some years ago I scalded my hand badly, then took cold in the hand. HIS TIME HAD COME.

So thought a Quebec man until Dodd's Kidney Pills cured him of Bright's Disease. Quebec, April 23—Narcisse Mangy, of 109 St. Anne Street, this city, considers himself an extremely fortunate man. He has come through the ordeal of Bright's Disease alive. Bright's Disease is an extremely fatal disease of the kidneys. The sufferer lingers on, growing weaker and weaker, slowly and miserably dying. Once it fastens itself upon a victim there is only one hope to save—Dodd's Kidney Pills. But they never fail. Narcisse Mangy says: "I have endured Bright's Disease for over five years. Doctors told me I would never get well. I thought my time had come. A friend told me to try Dodd's Kidney Pills. I have just finished the fourth box and am cured."
