The SNAPSHOT GUILD
A LOCAL CAMERA CLUB

Exchange of Ideas on picture-taking leads to better pictures and more snapshot fun. Every town should have a camera club.

IN EVERY town where there are several camera fans, there should be a local camera club. Such clubs are of value to anyone who takes pictures and wants to improve his picture-taking.

The camera club brings snapshooters together. It enables them to exchange ideas, and swap experiences. They can work together on problems, hear useful discussions, and organize special events such as picture parties, hikes or excursions. Contact with other camera fans helps each member, for there is always something new to be learned.

In the club, one member may know a great deal about taking snapshots at night. He can advise others on lighting, film and exposure for night snapshots. Another member may own a miniature camera, and specialize in "off-guard" snaps or human-interest pictures of children at play. Still another may know something about sports pictures, or flower pictures. Thus, each member can contribute some knowledge which will help all the others make better snapshots.

So popular and practical are camera clubs that, in the past few years, several thousand have organized on this continent alone. Some clubs have hundreds of members; others, only four or five. But no matter how small, the club is of value. In many instances, the camera club is part of a larger group, such as a Boy Scout troop or woman's club. Often, the club is able to have regular meeting rooms, and members "chip in" to fit out a darkroom with better equipment than each could afford by himself.

Organization of the club is quite simple. Camera fans simply get together, arrange for regular meetings, and plan a series of programs. Literature and suggestions for program material are obtained from various sources—often from manufacturers of cameras and film, who have special departments to supply such material without charge for club use. Picture exhibitions or "criticism nights" are usually planned, and whenever possible, tours, hikes, or other special picture jaunts are arranged. Under the stimulus of these activities, it is small wonder that pictures improve, and the snapshooter gets more fun and benefit from his camera hobby!

Plans For Tour Still Uncertain Says Siebert

MONTREAL, March 30—(CP)—Arrangements for a proposed hockey tour overseas are still indefinite Co-Manager Babe Siebert of Montreal Canadiens said tonight commenting on a Moncton, N. B. dispatch that Canadiens and another National Hockey League team would play there next week.

Siebert, whose team was eliminated from the N. H. L. playoffs last weekend by Detroit Red Wings, said it probably would be "two or three days" bfeore an announcement concerning the tour could be expected.

New York Rangers were expected to accompany the Canadiens but until their present Stanley cup playoff series with Boston Bruins ends plans for the overseas tour cannot be completed. Games will be played in Moncton and other Maritime cities if the trip comes off, Siebert said.

The overseas tour would be the second for Canadiens who played exhibition games with Detroit last spring in England and France.

MONCTON, N.B., Mar. 30—(CP)—Montreal Canadiens and another National Hockey League team will play here next Monday or Tuesday and later at other Maritime points before sailing for England on a playing tour, Stadium Manager F. A. Day said tonight.

Thompson Brilliant As Red Wings Upset Leafs 3-1 To Deadlock Series

(By Jack Calder, Canadian Press Staff Writer)

DETROIT, March 30—Detroit's crippled Red Wings put their backs to the wall tonight and fought to a 3-1 victory over Toronto Maple Leafs, levelling their semi-final round in Stanley Cup playoffs at one victory each.

Manager Jack Adams somehow put together a combination that struck early, then dug in to hold its lead. The teams will play the deciding game of their best-of-three round at Toronto Saturday and the winner will meet Boston or New York Rangers for hockey's world championship.

In a wild first period, thrown open by eight minor penalties, all four goals were scored. From then on, the Wings backchecked with a fervor that was entirely missing from their opening match at Toronto, when Leafs won by 4-1. Tiny Thompson in Detroit's goal, thrilled the 11,835 spectators with one of the most masterly displays of his long career.

Conacher Is Star

It was big Charlie Conacher, a Toronto player until his sale to Detroit last fall, who started the Red Wings away on a smoking shot that hit the net over goalie Turk Broda's shoulder in the first four minutes. And it was Conacher, rated hockey's hardest shot, who led the Wings over the remainder of the way.

Detroit had to play without Scotty Bowman, Johnny Sherf and Sid Abel—all injured in the Toronto contest. Replacing Bowman on the defence for stretches at a time was Syd Howe a forward who looked as if he had been playing a fighting defensive game all his life. Adams entrusted Don Deacon from his Pittsburgh farm club with Abel's centre-ice position and Deacon aided in Conacher's goal, then scored Detroit's second.

Gordon Drillon pulled the Leafs level five minutes later on a pass from Syl Apps, while Buck Jones of Detroit was serving a sentence. Then Conacher and rookie Don Grosso got the puck to Deacon while the teams were at full strength and the chubby Regina boy whipped a 12 foot drive that Broda blocked partially but not enough. It crossed the line by two inches.

Herbie Lewis, aided by Hec Kilrea, picked a corner to close the scoring with only 13 minutes of the period gone. Captain Red Horner of the Leafs and Goodfellow were off at the time for swinging fists.

Lineups:—

MARGATE TAKES CLIFTON 6-5

In the second game of a best two out of three series for the Campbell Trophy, Margate defeated Clifton 6-5 for their second straight win and thereby won possession of the Campbell Trophy for 1938-39.

Clifton went out in front early in the first period on a nice goal by S. Carr. About five minutes later E. Tuplih, who incidentally was the big gun of the Margate team, took a nice pass from P. Folland to even the score. In less than three minutes E. Tuplin added two more for Margate and about three minutes later P. Folland took a passout from the corner by R. Howard to put Margate in the lead 4-1.

About a minute from the end of the frame L. Dunning scored a nice one on a low hard drive from the wing to make the count read 4-2.

The second period was fast and hard fought with Clifton getting the only counter of the period. The score by L. Dunning at 18.21 was on a hard drive from near the blue line.

Early in the third period Clifton evened the count on a nice goal by Blois Dunning. A minute after this score, S. Carr put Clifton on top 5-4 by scoring on a sensational solo effort. About midway in the period P. Folland tied it up again 5-5, when he soloed from his own blue line.

At 15.50 R. Howard and Folland combined to put Margate out front again. During the balance of the period Clifton stormed around the Margate cage but the Margate goalie rose to dizzy heights and held them at bay until the bell rang.

Following the play, Mr. John Thompson lined up both teams at center ice and after congratulating both winners and losers, presented the trophy on behalf of the donor Mr. Hugh Campbell, to Capt. R. Howard of the Margate team.

Armstrong Is Favorite In Fight Tonight

NEW YORK, March 30—(AP)—You can just forget all those rumors of "smart money" riding in Chicago Davey Day against Henry Armstrong in their 15-round welterweight championship party tomorrow night at Madison Square Garden.

That buildup, usually attendant on a championship encounter, is fine stuff for bringing in the customers. But the betting fraternity were still around town today offering odds as high as 1 to 4 that Armstrong is "winnah and still champeen" when the firing ceases.

Ramblers Win Series From Hershey Bears

PHILADELPHIA, March 30—Philadelphia Ramblers won their best-of-five games International-American Hockey League playoff series with Hershey Bears tonight defeating them 3-0 in the fifth game.

Philadelphia captured the first game 6-3 with the second game going to the Bears 3-2 while Ramblers came back to win the third 2-1 and Hershey evened the count with a 4-3 victory last Tuesday night, forcing tonight's deciding fixture.

Thus the Ramblers entered the championship playoff against either Cleveland or Providence. A crowd of 6,500 watched the game.

All three goals came in the last five minutes and 20 seconds. Harvey Teno, substituting for Bert Gardiner, who was called to the Rangers, was carried off the rink on the shoulders of the players.

The Ramblers gained the ascendency when they were short handed. Kilby MacDonald rifled in a pass from Cliff Barton at 14:40 to give the Ramblers a 1-0 lead. Two minutes later Captain Butch Keeling teamed with Bobby Kirk and Alex Levinsky to make the score 2-0. Less than a minute after Keeling's score, Kirk beat goaltender Alfie Moore out of a melee in front of the Hershey cage.

OUST PROVIDENCE

PROVIDENCE, March 30—Cleveland Indians tonight knocked Providence Reds out of the International-American Hockey League playoffs, beating the Reds 7-2 in the second game of the best-of-three-games series.

Cleveland won the first game 3-2 on Bob Gracie's goal in the fourth overtime period and now advances to meet Philadephia Ramblers, winners over Hershey Bears tonight, in the final playoff round.

Clint Smith Sinks Goal In Overtime To Give Rangers 2-1 Victory Over Bruins

BY BILL KING
Associated Press Sports Writer

BOSTON GARDEN, Boston, March 30 —(AP)—The determined New York Rangers forced their Stanley Cup hockey playoff series into a sixth game by defeating Boston Bruins 2-1 after 17 minutes, 19 seconds of sudden death overtime play tonight in the fifth game of the best-of-seven series before a crowd of 16,409.

Clint (Snuffy) Smith caged the deciding goal with Lynn Patrick and Babe Pratt assisting.

Rangers, trailing three games to one in the series, fought a courageous battle from the start to finish and opened the scoring in the seventh minute of play by taking full advantage of the first Boston penalty. They had that lead for a bit more than a minute, until the Bruins caught them short-handed.

Captain Art Coulter drew the first blood when, with "Red" Hamill off, he climaxed Rangers' first big push by lacing a 40-footer past goalie Frankie Brimsek.

Then Dutch Hiller fouled a Bruin and while he was in the box, little Bobby Bauer rammed in a pass from Woody Dumart that was relayed from the backboards by Milt Schmidt.

Eight other penalties were called during the remainder of the game, four against each side, but both clubs tightened when short-handed, with the result that the end of the regulation time found them deadlocked for the third time in their five games.

The two previous overtimes were ended by Boston sharp-shooters but Rangers refused to be denied tonight and when, during the 18th minute of sudden death play, Smith found himself 15 feet outside the Boston cage and the middle lane wide open he lashed out with deadly accuracy.

The Rangers will have a chance to tie the series at three games each in New York Saturday night and if a seventh contest is needed to determine a finalist for the Stanley Cup series against the Detroit-Toronto winners, it will be played here Sunday.

The uphill battle Rangers fought against the League Champions was stirring and breath taking most of the way but it reached its peak during the third period and put the huge crowd into a frenzy. One spectator, reported by Garden attaches as Thomas F. Foley, Jr., 26, son of the Worcester, Mass., chief of police, died 15 minutes after he collapsed while seated with his parents.

Bruins took the ice needing only a win tonight to take the series after having beaten Rangers 2-1, 3-2, 4-1 and dropping the last game 2-1.
