When Women Use **DIAMOND DYES.**

Each year thousands of letters come in from all parts of this vast Dominion telling of victories and successes with Diamond Dyes in the home. The marvellous and immense sales of Diamond Dyes in Canada have induced adventurers and speculators (who know nothing about the chemistry of colors) to go into the putting up of Package dyes. Such dyes are adulterated and crude; the colors are muddy and blotchy, bringing ruin to the materials you try to dye. DIAMOND DYES, the choice of wise women, are the kind used when bright, full, fast and brilliant colors are wanted. No disappointments possible when you use Diamond Dyes. DIAMOND DYES are sold by all leading druggists and dealers. Refuse to accept substitutes when you ask for Diamond Dyes.
