Tooke SHIRTS

The comfort and fit of a shirt depend largely upon the way the neck band is cut.

Each neck-band in Tooke Shirts is cut out separately, not in lots.

It's this care in the cutting of the neck-band that makes the collar fit equally well whether the shirt be made with a soft or stiff bosom.

The great objection to most Neglige Shirts is that the collar never fits properly.

Many men, for this reason, have become disgusted with soft-bosomed shirts.

No trouble of this kind is ever experienced with a Tooke Shirt. 28

THE QUEEN'S COUNTY GUARDIAN

Offices in New Prowse Block—Charlottetown

Rev. Jas. McDougall will preach on Sabbath, May the 3rd, at Cape Traverse, at 11 and 7.

There is very little pork being offered just at present in this city, and the price remains at 7½ to 7¾ cents per lb.

Wm. Mombourquette, Agent of the Plant S. S. Line in this City has arrived here to assume charge of his office for the season.

The West River is now pretty well clear of ice all the way up to the head of the river. There has been a lot of lumbering done there this winter and a lot of fine logs are waiting to be transported to Charlottetown Among those who have rafts to send down are John McLean, Richard Carson and Alex. McDougall.

The roads in the country are just now in a terrible condition, being in a state of transition from snow through the intervening mud stage that comes before they are ready for wheeled traffic. At the present time the mud is said to be something unusual, but a good rain and some warm weather would work wonders.

Bruce Dawson, Victoria, has sold his farm to Fred and Howard Clark of the same place.

Buster Brown made his debut at Wonderland last night, and according to expectation proved a grand success The novel sketch in which he plays the principal part is entirely out of the ordinary and the character made so familiar by Outcault was really Buster himself, clever, precocious, ready for all emergencies. Originality is the great charm of "Buster's Burglar," while mingled with the brightness and swing of the pretty playlet, a touch of pathos runs, giving a perfectness of dialogue and presentation which is refreshing indeed after so much of the present day mediocre drama. Harrison and Moffatt were splendid last evening. Their sketch is clean entertaining and clever. Solos and duets charmed all listeners, while all repartee was clear of doubtfulness, amusing and entertaining. They change their performance this evening, putting on a bright little comedy entitled "Sambo's play day." A good time may be confidently expected, as the artists at Wonderland this week are exceptionally clever, present good choice entertainments and have won reputations for high class work, in the most select and fastidious houses on the continent.

Even Her Blood Turned To Water

When Dying Of Pernicious Anaemia Her Life Was Saved By

..FERROZONE..

Probably very few cases are on record in which an absolute cure has been made of pernicious anaemia.

But Ferrozone did cure Miss Elaine Stanhope—cured her absolutely, and her mother Mrs. G. Stanhope of, Rothesay, Ont., says the following:

"My daughter complained of feeling tired. She was very pale and listless, and kept losing strength till too weak to attend school. The doctors prescribed different bottles of medicine but Elaine kept getting worse instead of better. She had Anaemia and we were afraid for a while that she might never rally. We read of a similar case, that of Miss Descent of Sarling, Ont., being cured by Ferrozone, and this induced us to get it for Elaine. It took three boxes of Ferrozone to make any decided improvement, but when six boxes were used my daughter was beginning to be her old self again. It didn't take much longer to make a complete cure and I am convinced that there is no better bloodmaker than Ferrozone. It has made a new girl of Elaine. She has gained ten pounds in weight and looks the picture of perfect health. She is stronger and enjoys the best of spirits. The credit of her recovery, is entirely due to Ferrozone."

Every grown girl and young woman can make herself strong and healthy with Ferrozone.

It makes blood, nerve and tissue,—makes it fast—makes it so stay.

Complexion soon becomes perfect, nerves get new strength, tiredness vanishes—perfect health is the reward for using Ferrozone, which is sold by all druggists—price 50c. per box; don't fail to try it.

TOOK OFF HATS IN THE CHURCH

PROVIDENCE, April 26.—Easter hats were removed by every woman but one who attended yesterday's services at the Calvary Baptist church. That one exception with her large creation of the millinery's art, attracted as much attention as the pastor---plus unlimited scorn.

At the quarterly meeting of the church last Wednesday the women said that no hats would be worn in church and they kept their words. The pastor the Rev. Dr. Holyoke, suggested at the meeting that perhaps it would be conduc ive to the enjoyment of the service if the women removed their hats.

The folk responded with a motion that such a rule be put into effect, beginning Easter Sunday,

"Second the motion." shouted several women, and the motion went through with a rush.

The church was filled yesterday. Every woman on entering the church was conducted to a seat of triplicate mirrors in the rear of the auditorium. Here she drew forth the pins and other fastenings and proceeded down the aisle with her hat in her hand.

Dr. Holyoke congratulated the women on their action and ventured to remark that their courage would save them from headaches.

At the close of the services the rear of the church resembled a milliner's shop, the women crowding around the mirrors to see if their hats were on straight.

The Calvary Baptist church has one of the largest congregations in the state and the members boast that theirs is the first church in the country to adopt such a course. Everybody voted the new custom a success.

A STIFF FIGHT

The right cuff cuffed the left cuff,
Then both the collar collared;
And then the collar collared them
And cuffed them till they hollered;
Then all three had grand right and left,
And buttonholed the shirt,
They all were right they all were left
With faces streaked with dirt.
A solemn conclave then was held
To see which way they'd run
To get themselves cleaned up again,
And where it should be done.
The vote was quite unanimous
As to the when and where:

Because they're on the Square.
