**WEDNESDAY**  
**RENOVATIONS.**—The interior of the Tignish Post Office and Customs House has been all repainted, etc. Mr. McQuarrie of Summerside who had charge of the work is to be congratulated on the good job just completed.

**ISLAND MOTOR PARTY.**—Ira J. Yeo, M.P., city councillor of Charlottetown, accompanied by Mrs. Yeo, and Messrs. W. S. Grant and G. S. Inman, all of Charlottetown, motored to the city yesterday from Cape Tormentine on their way to Bangor, Maine, where the gentlemen will attend a convention of the Rotary Club, says the St. John Telegraph.

**A SOCIABLE GATHERING** was held at Mr. Garnett Proffitt's, Spring Valley, Monday evening. A number of guests from Hamilton were present. They spent the evening in pleasant amusement and all enjoyed themselves to satiety. Mr. and Mrs. Proffitt are famed for being ideal entertainers and the guests were profuse in their expressions of gratitude.—Y.

**"SCOTIA" MAY GO ON P.E.I. SERVICE.**—Extensive alterations are being made to the car ferry "Scotia." Changes are being made to the hull of the steamer to enable her to fit both at the pier at Mulgrave and the pier at Borden. These alterations will be completed in time for the Scotia to go on the Borden-Tormentine route at the end of the present month to supplement the Prince Edward if the freight conditions warrant it.

**TO WORK IN SACKVILLE.**—Mr. G. D. Ennis, contractor of bridge construction at Sackville, who has been in the city for several days looking for men to work at the bridge building work in progress there, left yesterday morning. He took with him about twenty men from Charlottetown secured through the service of the Employment Bureau in the Market Building. These men will be paid at the rate of \$4.50 per day.

**IN PRINCE COUNTY HOSPITAL.**—Mrs. Stephen Burke, Alberton, has been in town for several days attending her little son Milo, who recently underwent a successful operation at the Prince County Hospital. Another patient at the hospital is Master Freddie White, Alberton, who has also been through an operation, both boys are, under the medical direction of Dr. Kier, Alberton, and their friends will be pleased to learn that both patients are making a speedy recovery.—H.

**ENTERTAINING EVENING.**—The patrons of the Strand Theatre, Kensington, were favored with a rare and novel entertainment on Friday and Saturday nights. The event was an exhibition of rifle shooting by Blaise Bowen lately of Kensington. Allocated authority on marksmanship has pronounced him the greatest shot in the world today. Holding his rifle in every conceivable way he would shoot so rapidly and so accurately that, with difficulty, the eye could detect the objects as they dropped before his rifle. He would stand with one foot on a sack wire and reach his target just as accurately. He shot with perfect visible outline, an Indian's head, which was much admired by the audience. Another feature of the shooting tried the nerves of his audience. His helper would hold objects, such as pipe stems, in his hand, and this modern Sauter would shoot each out on his hand, inch by inch. This same entertainment he gave in Colorado for a week and it was keenly appreciated. All who have a good-looking opinion of their marksmanship should see Mr. Bowen wherever he gives an exhibition.—Y.

**HOME FROM FRANCE.**—Among the latest arrivals home from overseas is Private Charles Larter, son of Mr. and Mrs. George Larter of this city, who got home a few days ago. Mr. Larter left Charlottetown in 1916 with the original 10th Battalion and was one of those who transferred to the famous fighting 26th Battalion and participated in all the principal fighting in which the regiment took part up to the close of hostilities. Since that time he has been with the Canadian "Y" in France on work in connection with transferring the bodies of the Canadian soldiers from where they died in the trenches and battlefields to the vast cemeteries being set aside for that purpose. Good progress is being made on the work and many hundreds of bodies have been transferred but the work is necessarily slow and Mr. Larter thinks that it will take about four years before it can be finished. He brings back with him some very interesting views of the places he has visited in France and also scenes of battle. He left France six weeks ago and came out to Canada by the S. S. Araguay to Halifax. There was one other Islander on board named Kennedy who stopped over in Halifax.

**NEW EDITOR OF THE PIONEER.**—At a meeting of the directors of the Pioneer Publishing Co., Ltd., in Summerside on Monday, Mr. F. B. Owen was appointed editor of the Pioneer and Farmer in succession to Mr. John Pond, resigned. Mr. Owen's ability as a writer is well known through his contributions to the Guardian, and he has the advantage of considerable newspaper experience in both Canada and in England. Commencing his career on the "Ottawa Journal," Mr. Owen later acted as correspondent of the Chicago Chronicle at the capital, subsequently receiving an appointment on the Edmonton Capital. Just prior to the war he was associated with the Northcliffe press in London on the staff of the London Times and Daily Mail. During the war Mr. Owen held a commission in the Imperial Army serving with the Gloucestershire Regiment throughout the campaign and was wounded on three occasions. Mr. Owen is well equipped and the directors are to be congratulated on securing his services. Mr. Owen assumes his duties on Monday. Mrs. A. W. Owen will reside in Summerside with her son.

**AN IMPROVEMENT.**—The Charlottetown Police Station presents a decidedly improved appearance on the interior as the result of an introduction to the painter's brush. This is the first time that it has been painted for many years and nobody will deny the fact that it was needed. Mr. George Prowse was the painter.

**"ST. MARY'S" PARISH** and the community at large much regret the departure of both Rev. R. and Rev. John McDonald from this town. Rev. Father Ronald has a big Scotch heart and found his way to the hearts of all the people, while Father John to see him and know him is to love him. But his friends are pleased to learn that Father McLean, of Summerside, their successor has the good fortune of having his popularity precede him.—S.

**LEAVING FOR HOME.**—Mr. and Mrs. Frank Bixby who have spent the past month in Charlottetown leave today on return to Halifax. During their stay in the city Mr. and Mrs. Bixby made many friends, the latter, who possesses a voice of unusual sweetness and volume, being a special favorite in musical circles. She sang most appreciatively at several services in Zion Church during her stay and is assured of a warm welcome when she makes her next visit. They both thoroughly enjoyed their short sojourn in Charlottetown.

**KINGSTON BAPTIST CHURCH.**—Rev. Waldo G. Machum, B. A., traveling secretary of the Baptist Board of Religious Education will preach in the Baptist Church, Kingston, at 7.30 on Wednesday evening. Mr. Machum is highly recommended as a Sunday School expert, and having had considerable experience in this important work, will no doubt, impart such information as will enable us to meet our rural problems. Teachers and scholars of all denominations are cordially invited to this service.—(Patriot please copy).

**FREIGHT ACTIVITY.**—Freight on the P. E. I. R. in and out of the Charlottetown station is exceptionally heavy and no vacant space is to be noticed on any of the tracks in the yard. In fact the storage track on the outskirts of the city has to be utilized quite often in order to accommodate cars. The shipments of potatoes to the mainland has not yet begun to any extent except from the west, where considerable shipping is now going on. The movement of cattle and livestock from Charlottetown is active. The week following exhibition close upon one hundred horses left the city.

**THANKSGIVING DAY AT P. O.**—Monday the 13th of October being Thanksgiving Day and a statutory holiday the Post Office will be closed, with the exception that postage stamps will be sold at the stamp wicket and the general delivery and registration tickets will be kept open for two hours from 10 a. m. to 12 noon. There will be no delivery by letter carrier and the outgoing afternoon mails will be closed at 12 o'clock for despatch. There will be no mid-day collection from the street letter boxes. There will be no delivery at the Post Office of mail matter to persons who ordinarily receive their correspondence by letter carrier.

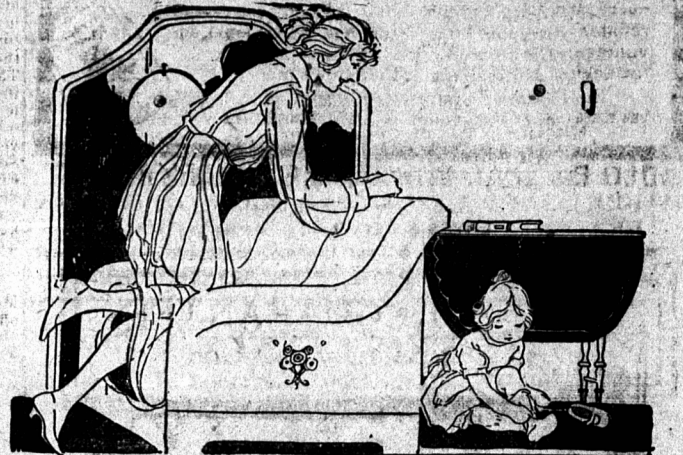

**PICNIC TO EXPERIMENTAL FARM.**—One of the most successful picnics ever held at the Experimental Farm was held on Saturday afternoon when the students of Prince of Wales College accompanied by a number of invited guests assembled on the beautiful grounds of the Farm and under the direction of Miss Mills, Secretary of the Y. W. C. A. and Mr. Sidenius of the Y. M. C. A. a most enjoyable time was spent in playing games and other entertainments so that when the refreshments were served up by the young ladies all were ready to do them ample justice. As the time for departure arrived the students assembled, the college "yells" were given followed by hearty cheers for Prof. and Mrs. Clark, Miss Mills, Mr. Sidenius, and the committee in charge after which all wended their way city wards, satisfied with the result of the day's outing.—G.

**LOCAL RETAIL MARKET.**—There was a very good market yesterday. Poultry was in fair supply retailing as follows: Chickens \$1.00 to \$1.45 each; fowls \$1.00 to \$1.30; ducks \$1.25 to \$1.50. There was just one goose offered—the first of the season—it sold for \$2.50. There was a good supply of cod on sale at the usual price of 7 and 8 cents per pound and a small number of exceptionally fine looking fresh mackerel which sold at 35 and 40 cents each. Other commodities retailed at the following prices at the stalls: Eggs 55¢ dozen, butter 42 to 45¢ lb., wild ducks 90¢ each, wild geese \$1.50 each, corn 30¢ dozen, beans 10¢ dozen, onions 10¢ lb., tomatoes 15¢ lb., cabbage 5¢ per head, turnips 3 and 4¢ each, squash 35 and 30¢ each, pumpkins 4¢ lb., Island pears \$2.00 per basket.

**A PLEASANT SURPRISE.**—On Monday evening last a large number of the people of Hampton and vicinity assembled at the home of Mr. and Mrs. John T. Inman and waited miscellaneous shower, prior to her marriage to Mr. John Maynard, a promising young farmer of the western part of the province. At a certain hour two of the girl friends of the bride carried into the room a large basket filled with various useful articles, from Maggie Jigg's rolling pin to Farmer Jones' bean pot, and as the bride-elect unwrapped each gift, and read the amusing verses accompanying each, nothing could be heard for some time but peals of laughter. Although taken completely by surprise Miss Sproule thanked each one for their gifts with much appreciation by her. Refreshments were then served by the young ladies after which piano music was given by Mrs. Warren Inman and Miss Freda MacKinnon and solo by Mr. Neil Shaw, Miss Mary Inman and Miss MacKinnon. Complimentary remarks were then made by Mr. John H. Myers and others, after which all joined in singing "Auld Lang Syne" and the National Anthem and this was brought to a close an evening long to be remembered by all present.
