

# Plain Face?

Did nature give you a plain face? What of it? Make your hair so handsome that every one will forget your face. Make them talk only of the softness, richness, and marvelous beauty of your hair. Ayer's Hair Vigor, "the new kind" does not color the hair.

A committee consisting of Jas. G. Hooper and John Crabbe have sent the following letter of condolence to the mother, wife, and family of their late Bro. John McKinon. We undersigned on behalf of the officers and members of Barton L. O. L., No. 1051, respectfully assure you of our deep sympathy in the bereavement you have sustained. It is a great comfort for us to know that having lived a life of faith in the God he loved and served, death came to him, not in terror as the dread King who ends all life and hope, but as the messenger sent by a loving Father to call him to eternal rest and while we mourn for him, our sorrow is tempered by the assurance that our loss is his great and eternal gain. To us he is not dead, but gone home before us. May this thought bring peace to you in your grief, and we assure you that we will ever cherish his memory in the Lodge which he was so long a member. Again assuring you of our great sympathy we are sincerely yours.
