The Latest News From Prince County

Ex Mayor Campbell, who has been seriously ill for some time past, is improving.

A LARGE number gathered at the residence of Mr. Wm. Tanton on Monday night to extend a farewell to Mr. George A. Jeffrey, who leaves for Idaho on Thursday. A farewell address was read and presented by Rev. F. W. Harlow, to which Mr. Jeffrey made a suitable reply. A very sociable time was spent and all expressed their regret at the approaching departure of Mr. Jeffrey.

BLOOMFIELD NOTES.—Our enterprising brick manufacturer, Mr. Benj. Gallant, M. P. P., is steadily increasing his big pile of wood, preparing for the coming season's brick business. We understand Mr. Gallant has ordered a brick press with a capacity of 20,000 bricks per day. As Mr. Gallant is a good sharp business man, we feel sure he will make his business a complete success.—Our prominent merchant Mr. D. T. Botts, seems to pay little attention to the stormy weather and bad roads, from morning till late in the evening his shed is filled with teams and store crowded with customers.—We have between five and six feet of snow on the level and the ice on the rivers has sunk so badly with the weight of snow, that the tide rises over it and there is from three to four feet of water on the ice, making it unsafe for teams. We understand that Alvanzo Thompson is about selling out his business at Bloomfield Station to Mr. J. H. B. Jones. Mr. Thompson intends going into a boot and shoe business in Sydney C. B. in partnership with Mr. M. E. Tweedle, an American of good experience in the business. A very enjoyable time was spent in Campbellton hall a few evenings ago. An entertainment and basket social was the order of the evening. Singing by the Campbellton choir, dialogues, speeches, some old Scotch and comic songs, were indulged in. The whole affair was a grand success; the party broke up about midnight well satisfied with their evening's entertainment.
