

You Need More Than A Laxative

To correct constipation, all organs of digestion and elimination should be helped. Try NR and see how much better you feel.

NR Today—Keeps the Doctor Away

To be healthy, your body mechanism must properly digest your food, extract all the nourishment from it and properly move on the waste that is left. This is accomplished by the processes of digestion, assimilation and elimination—the work of the stomach, liver, kidneys and bowels. The failure of any of the vital organs to do its work properly affects the action of all the others. A forced bowel movement does not help constipation; it only increases for a few hours the condition that constipation brings about.

Now if you are used to taking so-called laxative pills, oil, prunes and the like, you know exactly well you've got to be taking them all the time. Moreover, if you stick to any one laxative, you've got to be increasing the dose all the time. That can do you a lot of harm.

Stop doing yourself with such things just long enough to give Nature's Remedy (NR Tablets) a trial, and let the results show the difference. NR Tablets are not mere bowel movers, their purpose is to correct the condition that makes constipation and give you real relief.

genuine, lasting benefit; to improve food digestion and assimilation, give you a good, hearty appetite, regulate your liver and bowels, tone up kidney action and give your poison-clogged body a good cleaning out.

Nature's Remedy (NR Tablets) is not harsh; it is mild, easy, pleasant in action; no griping or pain ever follows its use; but it is thorough and sure. By its action on the digestive organs it promotes assimilation, which means extraction of full nourishment from your food, and thereby gives you new strength, energy, better blood, better appetite. By toning, not stirring your lazy liver, NR sends bile into the intestines, improving intestinal digestion. Lastly, by gently encouraging more vigorous bowel and kidney action, NR drives poisonous impurities out of and cleans up your body.

Try Nature's Remedy (NR Tablets) and just see how much better you feel in every way. Get a 25c box today and take one each night for a week. You'll say you never felt better in your life. NR is sold, guaranteed and recommended by your druggist.
