## Knee - Joints Were Sore; His Ankles Swelled

A Thin, Amber-Colored Liniment Was Rubbed On and Pain Disappeared

"My knees and ankle joints bothered me a lot—they were a bit swelled and quite painful. I got great benefit when I rubbed on Nerviline. It is a strong liniment, and destroys pain quickly. I could feel Nerviline sink in deeply. It went right after these pains that had made my joints so sore. I urge all sufferers from rheumatism to faithfully try out Nerviline." This was the experience of E. H. Hillyard, well known in the City of Georgetown. Pain soreness and stiffness vanish before the magic power of this wonderful liniment. Get a 35-cent bottle of Nerviline from any storekeeper; it will do you good.

On Sunday morning he occupied most acceptably St. James Church pulpit, preaching an eloquent sermon which gave help, encouragement and comfort to a large congregation. In the evening he preached to another crowded congregation in Zion Church, and later addressed a crowd of young people in the Y. M. C.
