

"and... I promise to keep that schoolgirl complexion"

Thousands are doing it through this simple rule in natural skin care, followed in this way:

WOMEN used to lose the priceless charm of youth, then struggle everlastingly to regain it. Today, by following natural and proved ways in skin care, they keep it.

Start by avoiding the use of unproved ways on your skin. A good complexion is too priceless for experiment. You can retain natural charm and freshness through the years simply by taking ordinary precautions with your skin.

Foremost skin specialists of the world recommend soap and water cleansing as the first rule in skin care. Leading beauty experts employ it. Results are proved on every side. Try it—it will do much for you.

The rule to follow if guarding a good complexion is your goal

Wash your face gently with soothing Palmolive Soap, massaging the lather softly into the skin. Rinse thoroughly, first with warm water, then with cold. If your skin is inclined to be dry, apply a touch of good cold cream—that is all. Do this regularly, and particularly in the evening. Use powder and rouge if you wish. But never leave them on over night. They clog the pores, often enlarge them. Blackheads and disfigurements often follow. They must be washed away.

Avoid this mistake

Do not use ordinary soaps in the treatment given above. Do not think any green soap, or one represented as of olive and palm oils, is the same as Palmolive.

And it costs but 10c the cake! So little that millions let it do for their bodies what it does for their faces. Obtain a cake today. Then note what an amazing difference one week makes.

East Prince Hockey Notes

Junior Hockey at North Tryon. Cape Traverse Independents vs. Jr. Arrows. Score, Independents 4, Jr. Arrows 1.

Monday evening, January 30th, found the Independents on North Tryon rink, and at 8:25 with Mr. V. Howatt (Pic) on the whistle, they were at it. Ten minutes play with the Independents rushing it and after many tries Wendell McWilliams netted the opening goal, but although they tried many more times they always found Rodgers there with the goods and the period ended 1-0.

Second period.—From the face-off it was going bad for the Arrows and Rodgers was called on many times to save and five minutes from the face-off V. Howatt scored on a pass from G. Kehoe. Four minutes later Kehoe netted on a nice wing shot, and with only one minute to go, McWilliams on a short dash made the fourth and final Independent score. Third period.—It was not a pleasant outlook for the Arrows, but they fought gamely on and four minutes of this period had gone when Thomas of the Arrows in a solo run right from behind his own net eluded the Cape Traverse defence and scored their first and only goal. The balance of the period was mainly defensive work for the Arrows, and the final score was 4-1, Independents' favor.

STUDENTS SOCIAL.—All students welcome at the social given by Young People's Christian Endeavor in Central Christian Church hall, Feb. 14th.

AT FISHERIES COUNCIL.—Mr. J. A. Rodd, of Ottawa, Dominion superintendent of fish culture, who is well known here, has left to represent the Marine and Fisheries Department at the International Fisheries Council of the Great Lakes, being held at Lansing, Mich.

SMELTS FROM PROVINCES.—Frozen smelts were plentiful in the Boston market on Thursday, in anticipation of a good demand on Friday. Three carloads from New Brunswick and Prince Edward Island arrived that day and the day before two more carloads had arrived. No prices were quoted.

ISLANDER KILLED.—A telegram was received on the morning of Feb. 11th, by Mr. Terence Lanigan, Sturgeon, announcing the sudden and unexpected death of Mr. Jos. P. Landrihan of Everett, Mass. No particulars received, only "died in accident." He leaves to mourn a grief-stricken widow (nee) Maria J. Lanigan, formerly of Sturgeon, four small children. Funeral notice later. R. I. P.

ILLNESS REGRETTED.—On Saturday last Mrs. Creelman MacArthur was obliged to leave Ottawa suddenly, owing to the serious illness of her youngest daughter, Miss Marion MacArthur, who is attending Acadia University. A specialist was called from Halifax and advised an immediate operation for appendicitis. Senator MacArthur is now on his way to Summerside, calling at Wolfville. Her many friends will be pleased to know that Miss MacArthur is now making a good recovery from the operation.

BRIDAL SHOWER.—An exceptionally pleasant evening was spent at the home of Mrs. J. C. Quinn, Great George Street, when a number of the many friends of Miss Fearl Burke, tendered her a miscellaneous shower in view of her coming marriage to the near future. The numerous gifts included silverware, linen, china, etc., and were accompanied with suitable verses for the occasion. After considerable well-wishing for a bright and happy future for the bride-to-be, the evening was topped off by music and songs, also three of the girls giving a splendid lesson on "How to Keep Young." A dainty lunch was served by the hostess, Mrs. Quinn, and Miss "Tess" Kings and after further good wishes the very pleasant evening was brought to a close.

PERSONALS

Sage Tea Dandy to Darken Hair

By DOROTHY LANG

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. It costs only 75 cents. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful. This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

SPORTING COMMENT

Crystals vs. Sussex Tonight

All and sundry hereabouts will be pulling with might and main for a Crystal victory when the Island hockey champions go up against Sussex tonight in the first Island senior exhibition game of the season.

On paper it looks as if the West-ern sextette will come through with a substantial margin. With Crockett playing the same brilliant game in the nets as he has been showing all season, and this coupled with the return to the game of Ralph Billiphant and Montgomery, it looks as if the Sussex Colts will be compelled to romp some in order to keep in the running. Sussex play the Abegweit here tomorrow night. While the above mentioned teams are battling nip and tuck on Summerside ice, the Abegweit Sisters will be entertaining their Moncton Sisters at the Arena in a return game. This game should be both interesting and exciting from start to finish.

Well Done!

Congratulations are in order to the local curling team in their winning of the McArthur Cup. Competition for the Gaboury Cup, donated by Mr. Emile Gaboury, the French Vice Consul of Nova Scotia and P.E. Island Curling Championship should be closely and most enthusiastically contested. Summerside, Charlottetown and Montague will have teams represented in the matches.

Great Racing.

Those who have not as yet attended the Speedway on race day, would be well rewarded by a visit next Saturday afternoon, when a number of the fastest on the Island will answer the call. These races are intensely interesting and every Saturday sees the crowd of fans growing larger.

A Great Card

A recent issue of the Sydney Post in reproducing an article from the Guardian commenting on the recent Nemis-Irvine bout fought here and also on the proposed matching of McKenna and Nemis, adds the following:

HAVE THE MEN BEEN MATCHED?

A return match between McKenna and Nemis surely would interest the Cash Customers in this neighborhood. Not long since the pair met at Glace Bay and the New Waterford man was returned winner. Could he turn the trick again? There are many followers of the Tin Ear game hereabouts who would be willing to risk a roll of the long green that Jack would win by a knockout. It is hoped the Charlottetown promoters will be successful in arranging a bout.

On the face of it it seems as if the boys meet next week in an island ring. This writer is informed that McKenna will journey to Charlottetown, from whence has come a gilded offer for him to meet Nemis. It is stated that a promoter has offered Jack a big purse to appear against the Waterford man, and the North Sydney scrapper opines that a neat little wad of that dimension should not be allowed to go begging.

McKenna to leave for New York soon.

From Charlottetown, McKenna will go to New York, where he will join the boxing stable operated by Jimmy DeForest. The American trainer believes there is championship material in the North Sydney lad, who, by the way, will not be twenty-two until next March. Under the tutelage of this master at whipping boxes into shape, Jack should climb high on the pugilistic ladder.

Alex. Traboulee, who watched the fight between Jack Sharkey and Tom Heoney in Madison Square Gardens some moons ago—a fracas he paid \$11 for the privilege of witnessing—says that McKenna would go over big in Cotnam. He is the made-in-knob 'em-dead type, and these are the chaps the Cash Customers across the border clamor to see perform.

Th North Sydney Man's Record

Since winning the amateur championship of the Maritime Provinces some years ago, McKenna has met and defeated some of the best men in the east. Decisions were given against him in bouts with Joe Carbone, Johnny Nemis, Johnny McIntyre and George Fifield in the welter class. Moving up to middle section he lost to Rene Devos, champion of Belgium at Halifax.

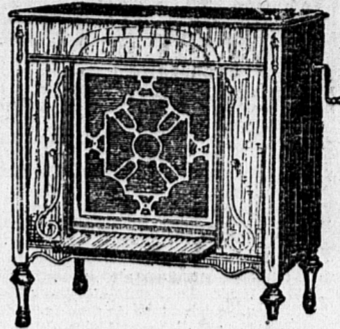

Jack's ability to stand the gaff was never better demonstrated than in his first battle with George Fifield at the Arena here. He had not trained faithfully for that event and on the day of the engagement was compelled to take off several pounds under wraps. The result was he went into the ring in weakened condition.

Fifield hit Jack with everything he had that night. He battered and pounded McKenna about the ring, and for the greater number of frames the North Sydney welter was out on his feet. Did Jack back up? He did not. He kept boring and trying all the while, but was outpointed, outslugged, and outgeneraled by the Toronto champion. But, the scene changes. The fol-

Following year, McKenna, trained to the minute, (pardon me for using Billy Wilson's pet phrase) hopped on to the canvas with Fifield at Glace Bay, and the tune was changed. Jack tore into his former conqueror, and after giving George a neat and fancy whaling put across the sleep wallop.

McKenna has the two best bets in a boxer's box of tricks the physique to assimilate gruelling punishment, and a punch in either hand, which properly placed, spells disaster for his opponent—Sydney Post. NOTE—The truth of the last paragraph in particular may be easily imagined by those who saw McKenna in his performances here last fall in his bouts with Morris McDonald and Harry Runcorn. Even at that these bouts were tame affairs when compared with his fight with Rene Devos whom he nearly knocked out in Halifax on the night of Nov. 10th last.

Tuberculosis Vaccine Discovered in France

ELIMINATES ENTIRELY FATALITY OF DISEASE AMONG CHILDREN

PARIS, Feb. 13.—The French academy of medicine is publishing a report to be broadcast to doctors over the world announcing a vaccine which has been proven by tests to eliminate entirely the danger of death by tuberculosis among children, even those born of tuberculous parents and living in the worst slums.

This vaccine named the "bacille calmette-guerlin," after its discoverers, and referred to in medical circles as "bcg" has been used to inoculate 52,772 of whom 5,749 lived with tubercular families. During the first year of the test the death rate among these

children was 0.9 per cent, and during the second year of the tests 0.2 per cent. In the third year there was not a death from tuberculosis among the inoculated children.
