It's up To You

Doesn't that old wheel of yours push rather hard and isn't its appearance rather antiquated, and decidedly seedy as you pull it out of the cellar, and by the way, has it occurred to you what a relief it would be to your neighbors to see you seated on a brand new Massey-Harris bicycle, to say nothing of your own feelings in the matter. If you can't work it off on the boy bring it to us and we will try to make an allowance for it.
