Every woman at this time should rely upon Lydia E. Pinkham's Vegetable Compound, a most valuable tonic and invigorator of the female organism.

In many homes once children there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

He owns an old horse which, to put it mildly, is very thin.

He owns an old horse which, to put it mildly, is very thin. As if to make up for the lack of flesh on its body, however, the animal has a head many sizes too large for it.

"Don't you know nothin'?" he blurted out. "You've made it too small! I can't get it over his head!"

BUSY ALIKE.

"It seems strange that he could plunder a great corporation like that for years without being found out."

THE HEIGHT OF E'ONOMY.

"I've learnt how to make a shilling go a long way."

A CIRCUS STORY.

A circus came to a certain Canadian town, and the charge made for admission was one dollar.

Four creatures, a lamb, a frog, a duck and a skunk were all anxious to see the show. Three of them were able to raise the entrance money but the fourth failed.

The frog had "four quarters," so he got in.

The duck showed his "bill," and was passed in at once.

THE TERRIBLE LANGUAGE.

"How do you pronounce 'pneumo-nia'?" asked the French boy, who had come to Eng-land to learn the language.

MOIKE TO McTAVISH.

"You seem to be continually humming that ragtime. Have you got it on the gramophone?"

SO IT SEEMS.

During a baseball match at Victoria Park the other day, in which two junior teams were the competitors, one of the batsmen hit the ball hard on the seams, which gave way.

QUITE TRUE.

A number of young ladies were making a purchase in the carpet department on an upper story of a well-known dry-goods store on Queen St. Monday morning, when one of them exclaimed with apparent excitement: "Oh look, a man fell off the window!"

At once there was a general rush for the window and a horrified stare at the stony pavement below, but no mangled remains were there.

AN IMPROVED WAY.

A prosperous citizen has gained the reputation of being the stingiest man in his town, and consequently is not a general favorite with his neighbors.

CATCHING OYSTERS.

Bathers in the shallow waters are warned not to participate in any diving stunts without first ascertaining the depths.

A young lady at the Charlottetown bathing house who has a penchant for diving recently gave an exhibition performance for the benefit of a number of spectators without taking preparatory soundings. She came up with an oyster shell on her nose.
