65 p.c. of Platina Fox Skins Sold

Sixty-five per cent of the offering of 563 platina fox skins was sold at the auction conducted by Lamson, Fraser & Huhn, Inc., for the Norwegian Platina Fox Breeders Association, New York. The top price was \$610, with the average \$322. The latter compares with an average price of \$240 noted at the first offering of platina foxes here last January. The high price at that sale was the record figure of \$11,900, with \$17,000 the second highest bid. It was estimated, however, that the quality of the platina foxes auctioned was about 30 per cent poorer than that of the January sale. The bidding for the skins was well distributed among retailers, dealers and brokers for out-of-town customers. The auction room was crowded. A platina fox was donated by J. M. Bossard, of the auction company and was sold and resold for a total of \$1,290, which will be used for Norwegian relief purposes. The platina skins were not sold will be auctioned next fall.

MT. BUCHANAN W. I.

The April meeting of the Mt. Buchanan Women's Institute was held in the school on April 9 with Mrs. Peter MacDonald as hostess. Vice-president, Mrs. Margaret MacInnis, presided. Miss G. MacDougal acted as secretary for the meeting.

The meeting opened with the Ode and was answered by an exchange of recipes and the story of my worst baking failure.

Mrs. Robertson had provided the school children's treat for the month. Mrs. Percy Buchanan is to treat next month. The next meeting is to be held in the school with all members bringing lunch, roll call to be an exchange of seeds. A contest was won by Mrs. A. A. Nicholson and Miss MacDonald. Miss Matilda MacDonald is on next programme committee. The meeting closed by singing the National Anthem.

In Memoriam

MRS. BENJAMIN E. F. WRIGHT

The news of the sudden and peaceful passing of Mrs. Benjamin E. F. Wright, to her eternal reward on Thursday morning, April 11th, caused widespread sorrow and regret among her many friends in Lower Montague and elsewhere. Although in delicate health for some time, it was hoped with careful nursing and loving attention she would survive to her family, but God willed otherwise.

The late Mrs. Wright was born at Lower Montague on July 22nd, 1866 and was before her marriage Mary Elizabeth MacFarlane, daughter of the late Alexander and Janet (Johnston) MacFarlane. She leaves to mourn, besides a sorrowing husband, a son, Louis S., at home and a daughter, Mrs. W. L. MacEachern, Mermaid, four grandchildren, Doris I. Wright, who bereft of a mother's care, was lovingly taken care of by the grandmother, Billie, Donnie and Mary Elizabeth MacEachern; also one brother, Edwin MacFarlane of Annapolis. Another brother, James W., predeceased her several years ago and two sons and one daughter died in early youth. The sympathy of all goes out to the bereaved family, especially to the home, where she will be so sadly missed and to her partner in life. One year ago they so happily celebrated the fiftieth anniversary of their marriage.

The community has lost a valued and much beloved friend. Belonging to all the organizations that were for the benefit of the community, she was a devoted member. The theme of the address, "Let not your heart be troubled," was impressive and comforting as were the beautiful hymns "The Lord is my Shepherd" and "Jesus Lover of my soul."

The casket covered with beautiful flowers — those silent expressions of love and sympathy — was followed by sorrowing relatives and friends to the cemetery at Lower Montague, and gently laid beside her loved ones gone before.

The pallbearers were Messrs. George Ancier, Lester MacPherson, Charles MacFarlane, Lemuel Robertson, Orman Poole and Austin Ross.

QUEEN MARY INSTITUTE

The April meeting of "Queen Mary" Institute, Murray Harbor, was held at the Institute Room with the President, Mrs. Albert MacLeod presiding. Meeting opened by singing the Island Hymn followed by the national anthem.

Roll call was responded to by each member asking a riddle or punting ten cents.

Twenty-four responded. Minutes of last meeting were read and approved.

An account of the absence of the secretary, Mrs. MacLeod, was given. The matter of donating a sum of money to the Salvation Army was carried over to the next meeting. The school committee reported that new window shades were needed for the school and the school committee reported having made three sick calls during the month.

The following committees were appointed for next month: — Program, Mrs. Robert Melish, Mrs. Lloyd Melish and Miss Elsie Melish; Sick committee, Mrs. Everett Moore; Social committee, Mrs. Ross, school committee, Mrs. Ira Ross and Mrs. Alex MacPherson.

The programme consisted of a paper on vegetable dying by Mrs. Everett Moore. A picture puzzle contest and a grab-bag.

Roll call for next meeting to be answered by an exchange of seeds or bulbs.

The members were served a delicious lunch by the hostess.

Next meeting to be held at the home of Mrs. Everett.

FARMERS ATTENTION!

NEAR CHARLOTTETOWN

COLONIAL AND ALBATROS FERTILIZER

Buying Fertilizer is like buying a good suit of clothes or a good Automobile, you only get what you pay for. The best available is what you should use therefor again this year we feature in MIXED FERTILIZER the COLONIAL BRAND FERTILIZER from Windsor, N.S., and the ALBATROS BRAND FERTILIZER from the International Fertilizer Co., Ltd., Saint John, N.B.

I was afraid that when the selling price on Mixed Fertilizer had been published for Island Brand Fertilizer that the Plants above referred to might in order to meet competition eliminate Tankage and other ingredients that they have been applying in their mixtures and I was very much pleased that they have decided to carry on with their regular ingredients and ask \$1.00 per ton more for their Mixed Fertilizer.

My position is as follows: We have to extend a reasonable amount of credit acreage and to assure me that they will be in a position in the Fall to pay off their obligations out of the proceeds of their crop the above varieties are the only varieties that we will distribute.

Prices in this Ad are for cash delivered on the farm, within a radius of 8 to 10 miles from Charlottetown, providing that we can arrange a full load in your section or that there would be a return load of Potatoes or Turnips to come in from you or your neighbor.

CARLOT PRICES—Prices for carlots, delivered any Railway Station on the Island, will be the same as in this Ad less the usual carlot discount and parties interested in carlots of Colonial or Albatros Fertilizer would do well to get in touch with our office. These cars, are not to be less than 20 tons, can be secured in either straight cars of MIXED or CHEMICALS or in cars containing a combination of both.

All orders are subject to confirmation from our office and prices are subject to change when the supplies that we have booked now are completely sold.

I feel that farmers near Charlottetown should buy their Fertilizer from Produce Dealers who will take, in the Fall, what they have in Turnips and Potatoes and I do feel that if we had not established an outlet for Waxed Turnips that there would be hundreds of cars of Turnips unsold in this section today. We are trying to give you an outlet for your cash crop and to keep our service in the lead we have purchased a new International Trucks from L. H. KENNEDY and they are at our service as soon as the roads are open and if you appreciate this service see that a share of your Fertilizer requirements reaches us either at the OFFICE or through the following: GEORGE C. KITSON, Colville; LORNE COLES, Milton; HAROLD P. CUDMORE, Brackley; IRVING THOMPSON, Dunstaffnage; FRANK McNALLY, Tracadie; JOHN A. McKINNON, Union Road and J. LEO PRAUGHT, Verall.

We also will have a supply of BAGGED LIME ON HAND.

Table Stock large run of MOUNTAIN Seed than I can on 1-4 acres of Certified Cobblers but take this into consideration, first, I have the soil ANALYZED, then on the Mountain variety I have the rows farther apart than the average grower and I do not set the Potatoes as close in the rows. I am looking for five or six large Potatoes under each stock rather than a lot of small ones and after all gentlemen we sell them by the pound.

For the next four years we are faced with a treaty whereupon from Canada to United States a million bushels of Table Stock Potatoes are permitted to enter each year at a special rate of Duty at 37 1/2¢ per cwt. against the regular Table Stock Duty of 75¢ per cwt. This Table Stock will be almost entirely MOUNTAINS.

GROW MORE MOUNTAINS AND LESS COBBLERS

PLANTING—I like to see Potatoes and Turnips planted at the wane of the moon and when at all possible arrange the rows to run North and South.

Carleton and Vicinity

Mrs. John P. MacQuarrie of Moncton was called home last Tuesday by the death of her sister, Mrs. George Doull of Carleton.

Mr. Elmer Francis has purchased the splendid farm property of M. S. J. C. Gillespie at Carleton.

The many friends of Mrs. Nathan Bell, Carleton, regret to learn of her illness and hope that she will soon be restored to her usual health.

The many friends of Mrs. Stephen Muttart, Carleton, learned with regret that she fell in her room last Tuesday, breaking a bone in her hip. The aged lady is resting as comfortably as can be expected.

Mrs. David J. Wilbur of Somerville, Mass., arrived in Carleton Tuesday night, called home by the death of her sister-in-law, Mrs. George Doull, Mrs. Wilbur will remain at home for two or three weeks to visit with relatives here.

Mrs. L. R. Allen, who was the guest of Mrs. Lydia Howatt, Carleton, on Wednesday, returned to Summerside by train Thursday morning. Mr. and Mrs. Allen returned from a motor trip to Prescott, Ont., and were obliged to leave their car in Borden, owing to the snow which blocked the highway.

Mr. Albert Muttart, Carleton, has received a letter from Mr. Joseph Perry of Mount Herbert, which states that the latter recently butchered a seven months old hog which dressed 281 pounds of pork, after hanging for two days. This exceeds the weight of Mr. Muttart's seven months and six days

GOOD OLD QUEEN'S

KINGSTON, Ont., April 29.—Almost a century of tradition at Queen's Theological College will be set aside next fall with the entry of a woman to the three-year course leading to admission to the ministry.

Since the school's founding in 1841, no woman has been included among the 600 candidates for the ministry. Now Miss Alice Armstrong, dark-haired and slight, has prepared to register in the college which is under jurisdiction of Queen's University and the United Church of Canada.

From Meaford, Ont., Miss Armstrong came to Queen's to fall to take the new subjects she needs to gain a Bachelor of Arts degree, after studying extra-murally to obtain the first two years' standing.

The United Church made provision three years ago for acceptance of women to the ministry. Rev. Gordon A. Sisco, secretary of the Church, said that Toronto at least two have been accepted by conference.

Five of the greatest battleships the world has ever seen are now nearing completion. Their commission further enhances the unquestioned supremacy of Britain afloat. Launched last year, the five are the King George V, Prince of Wales, Duke of York, Jellicoe and Bantley, exceeded only in size by the Iron and Temeraire and two others not yet named, still under construction, and will displace at least 40,000 tons. The five floating fortresses mount 10 14-inch guns and 16 5 1/4-inch guns. Each will have three aircraft and 1,500 officers and men with a speed of 30 knots compared to Nelson's 23. Completion raises Britain's capital ship strength to 19. It is stated, and at least four more are being built. Standing of the six principal navies of the world are indicated in this chart. Naval strength of France more than balances that of Italy; the United States remains well ahead of Japan. Germany's navy has divided to preference where it is hardly a factor. Actual figures are believed much lower than those quoted, which were compiled by an American reference as possible to neutral authorities. German claims, German admissions of losses and British official reports. Several such figures state Germany has scarcely half a dozen seaworthy submarines and that the "under construction" figures are merely a boast, unlikely to be carried out.

"Blue Devils" Join Allies in Norway

PARIS, April 29 (CP Havas) — The 20th century counterpart of the Chasseur Alpins established by Louis XV in 1743 are fighting with the Allied Forces in Norway. It was officially announced here Saturday.

Presence of the famous "Blue Devils" of the last war was disclosed in a Havas News Agency dispatch from the Norwegian northern front last Monday.

Trained and equipped for warfare in the bitter weeks of the French Alps the "Blue Devils," who get their names from their dark
