

FISHERMAN'S DISPUTE FLARES ANEW

Wallace Fishermen Resent Appearance of N. B. and Quebec Lobstermen in N. S. Territory.

(Canadian Press)
WALLACE, N. S., May 28—Rival fishermen of this coast stood guard over their lobster traps tonight, prepared if necessary to protect their gear against what each faction terms unfair fishing methods employed by the other.

Lobstermen fishing out of Wallace were lined up against a group of Quebec and northern New Brunswick fishermen who came south a few weeks ago for the fishery in Tatamagouche Bay. The outside fishermen have been providing serious competition to the local fishermen.

Protective measures were adopted by both factions after open discussion broke out following the loss of several hundred traps owned by Wallace men. They claimed the traps had been destroyed or cast adrift after becoming fouled with the lines of the outside fishermen, who use the "knocker" system of connecting traps.

The Quebec and New Brunswick men, on the other hand, contend that the Wallace men retaliated by deliberately destroying some of their traps.

Meanwhile, the dispute has brought about a decrease in the fishery, and a scarcity of lobsters is experienced. George Langille, operator of two canneries, declared tonight he would be forced to close one of his plants.

Dad Certainly Looked After Us Well....

He not only took care of us while we were young, but Mother now has a Monthly Income of \$100 from his Confederation Life Policy, and she certainly enjoys the feeling of independence it gives her.

It is not until we have families of our own that we appreciate what our parents have done for us... and understand what a blessing Life Insurance is. A Confederation Life Endowment or Monthly Income Policy, for example, not only provides the means of taking care of a family until they become self-supporting; it provides also for a Life Pension in old age. Another advantage is that, if you become totally disabled, due to accident or disease, it can be so arranged that your premiums will be waived and you will receive a monthly cheque to replace, in part, your earned income.

The benefits of Confederation Life Insurance have been splendidly demonstrated during the past few years, when other forms of investment have suffered so much.

It will be a pleasure to send you particulars of Confederation Life Endowment or Monthly Income Policies if you will fill out and mail the coupon below.

DIED FROM LOCKJAW—The death of Marjorie MacGowan, eight year old daughter of Mr. and Mrs. Wesley MacGowan, Glasgow Road, occurred at the Prince Edward Island Hospital yesterday morning, following contraction of lockjaw. The little girl had sustained a slight injury to one foot recently. The injury became infected and the child was brought to the hospital. Medical skill was unavailing. To the bereaved relatives The Guardian extends sincere sympathy.

CRIPPLED CHILDREN'S CLINIC—Dr. T. B. Acker, orthopedic specialist, Halifax, is in the city at the present time and is conducting clinics sponsored by the Rotary Club and the Red Cross for crippled children. There is much follow up work to be done in connection with former clinics held here, and it is expected that the present clinic will be the largest thus far. The general clinic will probably be held tomorrow, and the work will continue till Friday, when Dr. Acker will leave on return to Halifax. Dr. Acker arrived in Summerside on Wednesday last and carried on a clinic there for three days.

LAD TO REST—The funeral of Mr. Callum J. Bruce, M. L. A., was held yesterday afternoon from the United Church at Vernon River, and was very largely attended. The service was conducted by Rev. H. Pierce who preached the funeral sermon. Rev. D. M. Sinclair and Rev. H. Griffiths assisted. A solo was rendered by Mrs. William Mutch, Cherry Valley, and the choir of the Montague United Church assisted. The pall-bearers were Messrs. J. J. Curley, William Masters, Ernest MacMillan, F. B. Lea, Aldern Carver and F. Murphy. Interment was in the Vernon River Cemetery, where the Masonic service was conducted by Mr. J. J. Larabee.

S.O.E. CHURCH PARADE HELD YESTERDAY

The Sons of England held their annual church parade yesterday morning, when representatives of the order paraded to Zion Church. Rev. G. C. Webster preached an appropriate inspiring sermon on the subject, "The Soul's Vision."

The parade, which was marshalled by Mr. J. D. Webster was headed by the Canadian Legion Band. The procession left the Sons of England Hall shortly before 11 o'clock, and proceeded to the church by way of Queen, Kent and Prince Streets. Following the service it returned by way of Grafton and Queen Streets.

During the service the choir rendered as an anthem, "The Sun Shall Be No More," and Mrs. A. H. Roper sang "The Ninety and Nine" with fine effect.

DRIVER FINED—A motorist charged with driving a car without a license, appeared before Magistrate Donald MacKinnon on Saturday and was fined fifteen dollars and costs or ten days.

BAND AT ORPHANAGE—The Canadian Legion Band gave a much appreciated musical programme at St. Vincent's Orphanage yesterday afternoon. Mr. William Colton was also present and sang several songs. The children enjoyed the numbers very much. The Band will give another programme at the Protestant Orphanage very shortly.

LOBSTERS BY SPECIAL TRAIN—A special train, comprising five carloads of live lobsters for the Boston and other markets in the eastern part of the United States will leave Moncton shortly after two o'clock today, (Saturday) en route to Saint John where the shellfish will be transferred to the Boston steamer leaving that port tonight. In the shipment are two cars from Charlottetown, two from Petic and one from Point du Chene.—Moncton Transcript.

ATTACKS MEN AND ANIMALS

In addition to the work being carried out by the Dominion Department of Agriculture in conjunction with the provincial governments in adopting measures of control for the suppression of warble flies, two campaigns on a large scale are being prosecuted at the present moment, one by the Ontario government on Magdoulin Island, and the other as a municipal undertaking by the local authorities of Calumet Island on the Ottawa river in Quebec. Warble flies are of two species very widely distributed in many parts of the world, particularly in Europe, North America, and to a less extent in Asia. Where they are abundant they constitute the worst insect pests to cattle, and many cases of infestation in man have been recorded. The flies appear in every part of Canada where stock is raised.

Merry Minstrels Play At Souris

The Merry Minstrels Company of the Holy Name Club, Charlottetown, played in St. Patrick's Hall, Souris Friday evening last to an audience that crowded the old familiar hall. The show from start to finish was bright, cheerful and snappy with an abundance of good clean comedy for which there is always a demand and appreciation. The Master of Ceremonies Mr. Edward Hornby in the centre chair handled the gags, and jokes crossed by the four premier end men, Messrs Morgan, O'Neill, Trainor and Howatt in good style. The soloists in the double white circle Messrs. McQuaid, Doiron, Chaisson, McInnis, Rev. Dr. Bernard Gillis and Masters Brown, Steele, Chapelle were all in splendid form and received hearty encores. The Merry Minstrels male quartet, Messrs Doyle, Doiron, Campbell and Chaisson rendered two delightful quartette numbers. The comedy end songs by the End Men together with their novelty bell ringing numbers were strong features of the entertainment. Thomas McFarlane in his triple tongue trumpet solo was one of the outstanding numbers. The four dancers, Messrs McAllister, McGillivray Weatherble and Stanley executed their various dance numbers in a very creditable manner. Al Dowling and Mister Dennis in their characteristic impersonation of Old Black Joe with music and dance were well received. The orchestra with Albert Blanchard at the piano as leader assisted by McFarlane Bros. and J. Doucette trap drummer contributed a splendid musical program throughout. The personnel of the show consisting of fifty five people left the city by car and with their showy parade banners attracted much attention en route. It is hoped that the Merry Minstrels will include Souris in their plans for future trips. At the conclusion of the program which ended with Merry Minstrel Days ere here again and Merry Minstrel never die, all the performers and their friends were most hospitably entertained by the ladies of the Souris C. W. L. to a banquet, supplemented by a pleasing musical program.

Church of Most Holy Redeemer

A service in honour of the Blessed Virgin was held last evening at the Church of the Most Holy Redeemer. The Rosary was followed by the Solemn Procession in which the altar boys, choir boys, and the girls attired in white participated. The statue of the Blessed Virgin was carried by four Boy Scouts. His Excellency Bishop O'Sullivan assisted from the throne, and preached a short sermon on the Blessed Virgin.

SUMMERSIDE and Prince County

—FAREWELL GIFT—On Saturday evening, May 13th, a large number of friends gathered at the home of Mr. and Mrs. Joy B. Hayes to bid farewell to Mr. Frank Crossman, who is leaving for Augustine Cove in the near future. In losing Mr. Crossman, his friends are losing a good friend and neighbor. Mr. Archie Bell gave an able address and Mr. Judson Blackmore presented Mr. Crossman with a club bag. Mr. Crossman thanked them one and all for their kindness. The ladies served ice cream and cake and after a late hour the visitors sang "For He is a Jolly Good Fellow," all leaving for their homes thanking Mr. and Mrs. Hayes for their kindness and the use of their beautiful home.

INSULATED MILK COOLING TANKS

There is considerable wastage of ice in un-insulated cooling milk tanks with the result that it is the practice in many farms not to put ice in the tank until just before milking time. What often happens is that the cooling effect of the ice is barely sufficient to balance the heat from the cans of fresh milk. With an insulated tank on the other hand, enough ice may be kept in the tank at all times. In this way, says the Dominion Bacteriologist, Mr. A. G. Lochhead, in his directions, published by the Dominion Department of Agriculture, of how to construct an insulated tank, the temperature of the water may be kept well below 40 degrees F. and the milk cooled more quickly to a much lower temperature by the means of less ice than in the old style tank.

The next year he was switched to the trot and won at Charlottetown from a field of thirteen starters taking a record of 2:17 1-2. Two weeks after he won at Halifax taking a record of 2:16 1-4. Both races were Maritime Bred trotting fixtures. He was not raced last year.

RELIGIOUS SERVICES

THE BAPTIST CHURCH

At the Baptist Church Sunday morning the Rev. A. C. Vincent delivered a stirring sermon on "Our Opportunity." Basing his thought on 1 Cor., 16, 9, "For a great door and effectual is opened unto me, and there are many adversaries," he spoke of the Obligations, the Challenge and the Opportunity of the various missions of the Church in these days of stress.

A large congregation at the evening service heard Dr. Vincent in an eloquent address on "The Master's Passion."

Church of Most Holy Redeemer

A service in honour of the Blessed Virgin was held last evening at the Church of the Most Holy Redeemer. The Rosary was followed by the Solemn Procession in which the altar boys, choir boys, and the girls attired in white participated. The statue of the Blessed Virgin was carried by four Boy Scouts. His Excellency Bishop O'Sullivan assisted from the throne, and preached a short sermon on the Blessed Virgin.

Salvation Army

"Bring ye all the tithes into the storehouse and prove me now saith the Lord, if I will not open the windows of Heaven and pour you out such a blessing that there shall not be room to receive it."

This promise of God was fulfilled during the services Sunday. We had done our part in bringing the tithes into the storehouse, and God's spirit was poured out and eight young people reconsecrated their lives at the morning service.

"A Mighty Revival is Coming This Way" was sung before going to the open air service in the evening and every soldier felt the truth of the words.

At 3 o'clock the Band marched to the Kent St. Infirmary and held an open air service.

Next Sunday an enrollment service will be held.

Next Wednesday, Mrs. Commissioner Hayes will visit the City and hold two meetings.

An afternoon meeting was held for women only in the Salvation Army Citadel and a public meeting at night in the Central Christian Church.

Sacred Song Service

The final Sacred Song Service for the season was held in Zion Presbyterian Church at half past eight last evening, and was attended by upwards of three hundred persons.

These services have been fostered for a number of years by the local Y. M. C. A. for the benefit of all students and young people in the city, and during the past season, have come under the jurisdiction of the Student Department of the Y. M. C. A. and have been carried on through the co-operation of the various clergymen of the city with the Y. M. C. A. Religious Committee.

been conducted for young people, by young people, and have received the support of practically every denomination in the city. They have been held in one or other of each of the various city churches each Sunday evening immediately after the regular evening diet of worship, and have been sponsored for the combined purposes of the general promotion of true Christian Fellowship, and as an educational factor for all who care to attend.

The young people were addressed last evening by Dr. J. A. Clark, President of the Charlottetown Young Men's Christian Association who expressed his gratitude of the Y. M. C. A. to the students and young people of Charlottetown for their hearty co-operation during the season of 1932-1933, and voiced a welcome to them to renew such pleasant relationship again next fall.

Rev. G. Carlyle Webster opened the service with prayer, and Mrs. A. H. Roper sang "It Was For Me," by Blount, as a special solo, which was thoroughly appreciated by all.

Mr. George Art MacDougall, who is taking special studies at Prince of Wales College, presided and also led the reading of the Scripture Lesson. Mr. Malcolm MacKinnon gave an exceptionally fine rendition of "I Hear the Voice of Jesus Say."

Mr. MacDougall conveyed the thanks and appreciation of the students and young people who have been enjoying the meetings, to the Y. M. C. A. and especially to Mr. R. A. Pendleton and the members of the Y. M. C. A. Religious Committee, for the splendid co-operation and interest which has prevailed during the past season. He also thanked all those who have in any way assisted with the services during the term, and made special mention of Mrs. J. A. Lawson of St. James Choir, who has devoted a great deal of her time and talent in the arrangement of the various programs and in the leading of the singing at each meeting.

Rev. Mr. Webster closed the service with prayer.

TRINITY UNITED CHURCH

"A thousand cults and a thousand creeds, Is one a rose and the rest all weeds? Or is each one suited to meet some needs— Is your own so great that the rest seem small? If it is—then keep it and live it, That's all."

The services in this church took place as usual although the disagreeableness of the weather affected somewhat the attendance and then too a large number of the students have returned to their homes. That reminds us that vacation time is close at hand when a large number of people will seek and enjoy the pleasures which summer brings to us in our beautiful Garden Province.

The board of management of the Sunday School have decided that starting next Sunday the scholars will meet with the congregation at the morning worship, and after the opening or devotional ceremonies they will retire about 11.30 o'clock for their study classes. This system was found to work very well last year when the average attendance was the highest for years past.

MOUNT MELLICK W. I.

The regular monthly meeting of the Mt. Mellick Women's Institute was held in the school house on May 9, with an attendance of seven members and four visitors. Meeting opened by repeating Creed in unison. Roll call was answered with "Garden or Poultry Hints," and minutes of last meeting were read, approved and signed. A letter from Mrs. Stevenson of Charlottetown about an organ which may be purchased for school was read, but no definite decision was reached. It was decided that school children collect for Red Cross. New committees appointed were: School Mrs. W. J. Mutch and Miss Viola Ballew; Sick, Mrs. Arden Richards (re-appointed) and Miss Elizabeth MacRae. Next meeting will be held at the home of Mrs. W. H. Wood, when Mrs. W. J. MacEachern, convener for immigration, will have charge of program and roll call will be answered by whistling a tune. Meeting closed by singing God Save The King.

Prosperity Week Opens In Chicago

CHICAGO, May 27—A week of "let's go, Chicago," proclaimed by Mayor Edward Kelly to help bring back prosperity opened today with a 21-gun salute from naval reserve boats on Lake Michigan. From store fronts, street cars, display windows and taxicabs, banners appealed to the populace to "help prosperity along." "Buy something now while the prices are low," said Mayor Kelly in a proclamation. "Hire someone now while jobs are needed badly, and clean up and dress up the city."
