

SYNOPSIS OF CANADIAN NORTHWEST HOMESTEAD REGULATIONS

Any even numbered section of Dominion Land in Manitoba, Saskatchewan and Alberta, excepting 8 and 20, not reserved may be homesteaded by any person who is the sole head of the family, or any male over 18 years of age, to the extent of one-quarter section 160 acres, more or less.

Applications for entry must be made in person by the applicant at a Dominion Land Agency or Sub-agency for the district in which the land is situated. Entry by proxy may however, be made at an Agency on certain conditions by the father, mother, son, daughter, brother or sister of any intending homesteader.

The homesteader is required to perform the homestead duties under one of the following plans:

(1) At least six months residence upon the cultivation of the land in each year for three years.

(2) A homesteader may, if he so desires perform the required residence duties by living on farming land owned solely by him not less than eighty (80) acres in extent in the vicinity of his homestead. Joint ownership in land will not meet this requirement.

(3) If the father (or mother, if the father is deceased) of homesteader has permanent residence on farming land owned solely by him, not less than eighty (80) acres in extent in the vicinity of the homestead, or upon a homestead entered by him in the vicinity such homesteader may perform his own residence duties by living with the (father, or mother).

(4) The term "vicinity" in the two preceding paragraphs is defined as meaning not more than nine miles in a direct line, exclusive of the width of road allowances crossed in the measurement.

(5) A homesteader intending to perform his residence duties in accordance with the above while living with parents or on farming land owned by himself must notify the Agent for the district of such intention. Six months' notice in writing should be given to the Commissioner of Dominion Lands at Ottawa, of intention to apply for patent.

W. W. CORY,
Deputy of the minister of the Interior.

Undisputed Facts About Zutoo

Zutoo tablets are now recognized as being without doubt or question, the best and only safe remedy on the market for headaches and colds.

They have practically displaced all other cures, and are now the only one used to any extent.

The reason is doubtless found in this further fact:—

Zutoo tablets not only cure headache and colds but, unlike many other remedies, do not affect the heart, nerves or stomach.
