

A PROMINENT MERCHANT OF MONTREAL

Says: "I Believe Pe-ru-na Has No Equal."

Pe-ru-na is a Systemic Catarrh Remedy, Especially Valuable to the Declining Powers of the Older People.

In old age the mucous membranes become thickened and partly lose their function.

This leads to partial loss of hearing, smell and taste, as well as digestive disturbances.

Peruna corrects all this by its specific operation on all the mucous membranes of the body.

One bottle will convince any one. Once used and Peruna becomes a life-long standby with old and young.

Mr. Charles F. Benetton, Truro, N.S., writes: "I have followed your instructions for the past month and am now as well as I can be at the age of eighty-four years."

As Well As Can Be At the Age of Eighty-four Years.

I thank you for your valuable instructions and advice. I first used Peruna fourteen years ago when my hearing was so bad that I had no hope of staying many days, and after using it I began to pick up. It has helped me ever since. I feel well, but will always have Peruna as my companion."

Charles F. Benetton.

Pe-ru-na Proved a Life-Saver.

Mr. Louis Byrens, auctioneer, commission merchant and business broker, 436 1/2 Richmond street, London, Ont., writes:

"I had been a sufferer with what physicians diagnosed as chronic catarrh. I thereby lost the necessary speaking faculty, which almost caused me to discontinue the business of auctioneer."

"After spending several hundred dollars for various medicines and doctor bills without avail, your wonderful remedy, Peruna, was recommended to me."

"After using several bottles of this life-saver, I found relief, and I am again capable of conducting my auction sales. I wish to convince others, likewise afflicted, of the merits of your great remedy."

Louis Byrens.

Happy Results Follow Use of Pe-ru-na.

Mr. Alex McKenzie, Montreal, Ont., bookkeeper for the Jewelry and Importing Co. and Scribe for the I. O. O. F., Jeanne of Arc Court No. 1650, writes:

"As I have used Peruna with happy results, I am glad to endorse it. My system is at times an easy subject to catarrhal colds. Especially if I am out in inclement weather or become suddenly chilled."

"When I get a cold I take Peruna, and it is only a question of a day or two until I am fully restored."

Alex McKenzie.

JAMES CURRIE.

Mr. James Currie, a prominent merchant of Montreal, Can., writes from 1808 Notre Dame street, as follows:

"I have used your Peruna for catarrh and find it an excellent remedy for coughs and colds. I believe it has no equal. My wife has used several bottles and she recommends it very highly. We keep it in the house continually for family use and would not be without it at twice its cost."

James Currie.

A Valuable Medicine for Coughs and Colds.

Mr. Louis Monpetit, 251 St. Elizabeth Ave., St. Henry, Montreal, is President of the St. John Baptist Society and a leading merchant on the St. Lawrence Market. He writes as follows:

"I would consider myself very ungrateful if I did not acknowledge the great merit of your wonderful medicine, Peruna."

"I contracted a severe cold by remaining too long in my ice house, and became so afflicted with a bad cough that I was obliged to remain indoors for a time."

"A friend brought me a bottle of Peruna. I began taking it and immediately received benefit from it. In a very short time my cold and cough were gone and I was restored to my usual health."

"I attribute my speedy recovery to the use of Peruna and I have no hesitation in saying I believe Peruna to be a valuable medicine for coughs and colds, and would cheerfully recommend it."

Louis Monpetit.

Peruna can be purchased of all first class druggists at \$1.00 per bottle.

Pe-ru-na For Catarrh of the Bronchial Tubes.

Mr. W. B. Walby, Hotel Windsor, Ottawa, Ont., writes:

"I have been taking Peruna for catarrh of the bronchial tubes for three weeks, and was truly surprised to find that it effected a complete cure."

"I had heard good reports of this medicine, but had never really known of its valuable qualities until I tried it for myself, and found it such a fine remedy that I feel like writing you this."

"You have no doubt hundreds of endorsements, but no one is more sincere nor pleased to endorse it than I am, because I have found it such benefit to myself."

W. B. Walby.

Pe-ru-na Contains No Narcotics.

One reason why Peruna has found permanent use in so many homes is that it contains no narcotics of any kind. Peruna is perfectly harmless. It can be used any length of time without acquiring a drug habit. Peruna does not produce temporary results. It is permanent in its effects.

The large number of persons who took advantage of the moonlight sail Thursday night on the good ship Northumberland in charge of her popular Captain and his capable and obliging crew are indebted to the Summerside Yacht Club for an evening's rare enjoyment, for it was under their auspices that the sail was gotten up. The melodious strains of music from the 2nd. Band under band-master Whitney added greatly to the enjoyment of the occasion. The weather was all that could be desired for a night's sail; the crowd all appeared in good trim for enjoying themselves; "the moon shone brightly over fair women and brave men and all went merry as a marriage bell." When the steamer reached the wharf on return the trip seemed only too short.

Deafness Cannot be Cured. by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
