

WILLIE WESTINGHOUSE VISITS HIS COUSIN TOMMY ON THE FARM

Dear Mamma, Cousin Tommy came to the station with old Dobbin and Mamma. Dobbin has travelled faster than a walk in years.

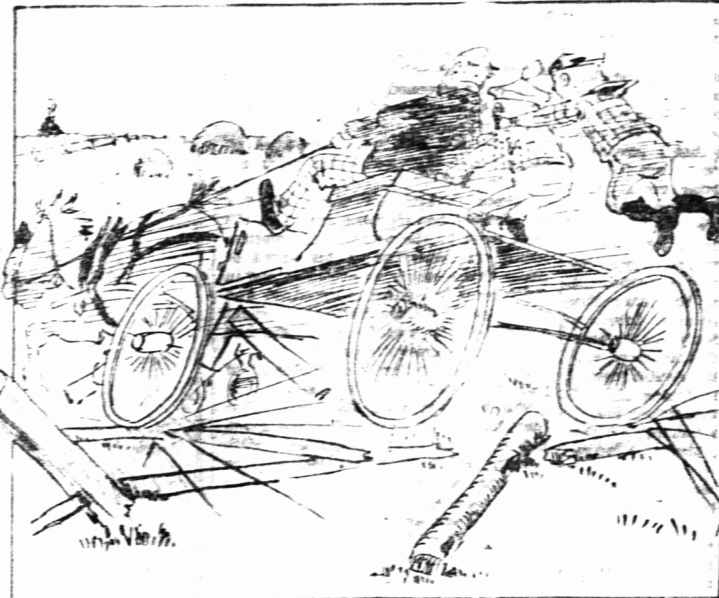

The next day Uncle Tom had to drive Dobbin to town, so I made a "per-sua-der" like this diagram.

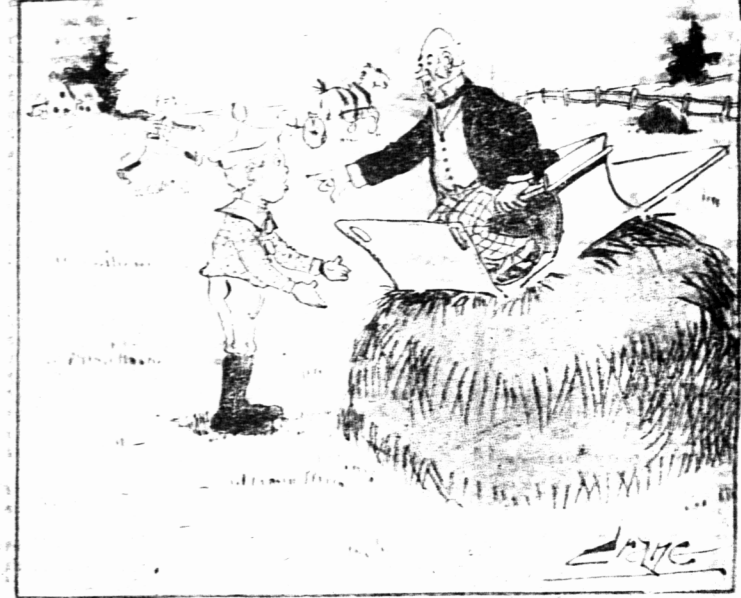

There are trolley lines on most of the roads here, and Uncle Tom tried it.

It was all right, only Uncle Tom gave Dobbin too strong a shock, and the old nig ran away with us.

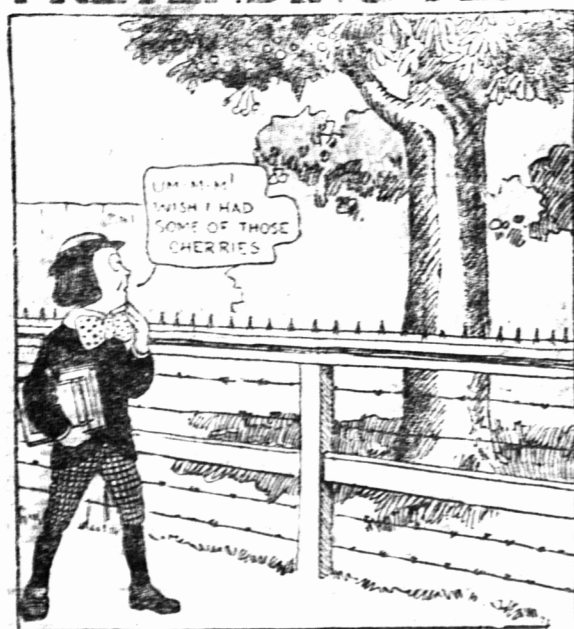

He bolted into a hay field and broke up the whole outfit.

None of us got hurt, but Uncle Tom gave me a scolding. Yours, Willie.
