If you have a hard hacking cough that no other remedy seems able to cure, try a bottle of Dr. Wood's Norway Pine Syrup. There is nothing to equal it for loosening the phlegm, allaying the irritation and healing and strengthening the lungs and bronchial tubes.  
 Miss M. Bradshaw, Wesleyville, Ont., says: "My brother was troubled with a very bad hacking cough, which stuck to him in spite of everything we could do, but after using three bottles of Dr. Wood's Norway Pine Syrup he was completely cured."  
 There are so many spurious "pine" preparations on the market that you should always be careful to get Dr. Wood's, the original and genuine.
