MADE REVOLUTION IN ELECTRICITY

Poor Young Quebecker Said to Have Made a Remarkable Discovery--Current Generated Directly From The Earth, Sells Rights For Million.

QUEBEC, Nov. 20.—It is claimed that a poor young French Canadian here has made a wonderful discovery in the generation of electricity which will reduce the cost of house lighting and heating to a mere trifle and seriously threaten investments everywhere in coal gas and electric companies should it come into general application, and that all the patent rights have been purchased by a powerful American coal mining syndicate to keep them out of the market. The amount paid is said to be \$1,500,000, of which \$250,000 is in cash.

Piles

Cured Quickly and Painlessly--No Risk, No Danger.

A Free Trial Package to Convince Sent by Mail to All Who Write.

Common sense is just as necessary (even more so) in medicine as in business or the affairs of every day life. People are getting to know more than they used to. Not so long ago, it was the fashion to make all sorts of claims for a medicine, and wind up by asking the reader to go to a drug store and buy a bottle. People won't stand for that kind of thing now. They want to see a tangible proof. They want to try the remedy first and if they find to be what is claimed they will be glad enough to go and buy it.

A CONVINCING ARGUMENT.

That is why we say to every person suffering from piles or any form of rectal disease, send us your name and we will gladly send you a free trial package. For we know what the result will be. After using the trial you will hurry to your nearest druggist and get a 50c. box of Pyramid Pile Cure, now admitted by thousands to be one of the most wonderful remedies and cures for Piles ever known.

"Please excuse my delay in writing to you sooner in regard to what your Pyramid Pile Cure has done for me. I consider it one of the finest medicines in the world for piles. I suffered untold misery for four months when my wife begged me to send for a 50c. box. When it was half gone I knew I was better and it didn't take any begging to get me to send for a second box. I think I am about well now but if I feel any symptoms of a return I will order at once. I order it from the Pyramid Drug Co. to be sure of the cure. Tell all about this hip remedy for piles."

"And if there is anything in this letter you want to use do so. I received your letter a few days ago. Yours for a remedy like Pyramid Pile Cure."

J. J. McElwee, Honey Grove, Tex., R. R. 9, Box 20.

"P. S. I used only two boxes and don't think I need any more. Piles of seven months standing."

To get a free trial package send to-day to the Pyramid Drug Co., 64 Pyramid Building, Marshall, Michigan. It will come by return mail and the results will both delight and astonish you.

DARING HOLD-UP IN MONTREAL

MONTREAL, Nov. 20.—Between nine and ten o'clock Thursday night a man entered the clothing store of V. Plante, 161 Craig street west. The proprietor was alone in the place at the time. Pointing two revolvers—one in each hand—at him, the intruder demanded all the money Mr. Plante had in the cash drawer. The proprietor parleyed for a time, while he pretended to be emptying the cash drawer with the pretended view of gratifying the impudent demand. The delay fulfilled its purpose, for in the interval the two clerks returned to the store. Seizing the situation in an instant, they rushed upon the would-be thief, and, joined by the proprietor, they literally threw him through the door-way into the street and then shut the door with a bang. After the excitement of the moment was over, they thought they might as well have held the man in order to give him into custody, but by the time they had opened the door again he had disappeared.

MET HIS DEATH ON CITADEL HILL

HALIFAX Nov. 20.—Martin Cashen met a tragic death yesterday afternoon by falling from the staff of the Citadel signal station. The lightning rod was found to be broken, and Mr. Cashen was sent to repair it. He was being hoisted up to the top of the staff in a boat-swain's chair, and when about half way up, the rope broke, hurling the unfortunate man to the ramparts below, a distance of fifty feet, breaking both his legs, besides injuring him internally. The ambulance was telephoned for, and the injured man taken to the Victoria General hospital, where, despite all that medical aid could do, he died two hours later. Mr. Cashen was a machinist, and resided at 178 Gouling street. He was thirty-nine years of age, and leaves a widow to mourn his loss.
